Report of Special Committee named by the Moderator at the Annual Session of the Brunswick Baptist Association held at the Supply Baptist Church, Supply, North Carolina Thursday October 21, 1965. Purpose of this committee: To study the problems that exist between the Bowden Memorial Group and the Community Chapel Group and bring recommendations back to the Executive Committee of the Association at the earliest possible time. The Committee's recommendations are as follows:

We recommend that the Bowden Memorial Group be placed on probation until October 1, 1966 and that the Community Chapel Group be placed under watch-care until October 1, 1966 giving each time to study their respective situations in relation to each other and to adjust themselves to the Brunswick Baptist Association, to the State Baptist Convention and to the Southern Baptist Convention and give evidence that each will support the causes of the same, financial and otherwise. We further recommend that this same Special Committee be kept active to observe the activities of each group in the light of their desires to be recognized as member Churches in the Brunswick Baptist Association and advise with them from time-to-time. And we recommend further that this Special Committee submit to the Executive Committee of the Association on or before October 1, 1966 their findings and recommendations as to the status of each group. We pledge our prayers in behalf of these two groups and urge them to seek God's Will in the matters that separate them so that the Good Name of our Savious may not suffer in their communities and that lost people for whom they are responsible may not turn away from the Message of Salvation because of their differences.

ANNUAL MISSIONARY'S REPORT FOR 1966

As I make my first Missionary's report to you as your Associational Missionary I hardly know what to report. In the short time, less than four months, there have been so many things we have tried to do and yet so little has been accomplished. As we have tried to lay the ground work for greater service in the future we have been most pleased with the cooperation of the many leaders of the Association and the churches. We look forward to many years of happy service in this field of service.

The office is almost complete, and we have secured most of the needed furniture and equipment. It is hoped that within the next year we will be able to secure the two or three other pieces of equipment that will help us do the work in a more efficient manner.

Much of my time has been spent in public relations, getting acquainted with the county and the churches. In this respect the few following statistics are available from my records: In the past four months I have traveled about 12,000 miles in the work. I have been in 28 committee meetings, 31 group meetings, and have had 105 conferences with individuals both in the county and without concerning the work or some personal problem. I have visited in 29 of our churches and preached either in the churches on Sunday or prayer meetings or some other type of meeting 47 times.

The work is a challenge to me and I wish for your prayers and understanding, and perhaps most of all your patience.

REPORT - BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA

Eighty-one years ago North Carolina Baptists launched a Christian ministry of child care. This program of service has grown considerably and is widely recognized today as a service of outstanding qualities. Sons and daughters of the Children's Homes are scattered throughout the world. They are making significant contributions to the uplift of mankind as a result of their early Christian training made possible by North Carolina Baptists and other friends.

In furtherance of the foundations already laid special attention is now being given certain areas of child care. An already strong program of group care is being strengthened at Mills Home, Kennedy Home, and Odum Home. Much progress is being shown in the work with emotionally disturbed children at Greer Home in Chapel Hill. The demonstration Child Development Program for pre-school children conducted on the Mills Home Campus, has had an excellent first year of operation. Many churches in the state are studying this program and facilities preparatory to providing similar services.

There is encouraging news that a home for children may be built in the western part of the state. This will more adequately serve the people who live west of the Blue Ridge Mountains. Our leaders have also been giving much thought to finding more effective ways of meeting the needs of children coming out of broken and inadequate home situations.

We have a large number of Christian homes for the care of foster children. Still more are needed in all sections of the state. Foster homes serve children of all ages and are advantageous for some who have special needs. Foster home parents may be of varying ages and circumstances in life. Couples with or without children of their own who have an abundance of love find this to be a challenging and rewarding opportunity of Christian service.

Sincere appreciation is expressed to all who have, in any way, helped to support our child care ministry. An increasing income through the Cooperative Program is greatly appreciated. Last year's Thanksgiving Offering almost reached $315,000.00, and is the largest ever. Special gifts and designations such as once-a-month offerings continue to provide a substantial part of the income. Through estate planning and the making of Christian wills present and future generations of boys and girls will benefit from the services of the Baptist Children's Homes. Roger Williams, former pastor of Mills Home Baptist Church, is devoting much time to this phase of the Children's Homes program and will be glad to assist interested persons in exploring this field of Christian stewardship.

May we continue to offer Christian nurture to distressed children in the name of the Lord Jesus Christ.

BAPTIST HOSPITAL REPORT

Our Baptist Hosptial and Medical School are a center of healing for body, mind and spirit, a center of training of medical personnel and Christian workers, and a center of scientific research for the advancement of medical care.

Without a vast amount of medical research, there would be no heart surgery today by which lives are saved in our Baptist Hospital almost every week; and the same would be true of almost every new method of treating us when we are sick. Without schools for the training of doctors, nurses, technicians and others, there soon would be no skilled persons in our hospitals or in our communities to care for us when illness comes. Without a staff of highly trained and experienced specialists and a vast amount of expensive specialized equipment, our Baptist Hospital could not offer the highly skilled medical care which is available to us when serious illness strikes and a fine medical center is needed. Another very important fact is that the skilled medical care of our Hospital is made available to people who need it and cannot pay for it. These important services are the work of our Medical Center in Winston-Salem.

The kind of medical care provided by our Hospital is very expensive, and the Hospital has no choice but to ask full payment of all who can pay. The Hospital has been spending in free care for our people far more than it receives from our Mother's Day Offerings, the Cooperative Program, and all welfare agencies combined. This has caused the Hospital to run into debt the past two years and the same has been happening this year. Of course, the Hospital simply cannot continue to operate this way. Medicare is not going to change the situation greatly. Our people need to understand this and to recognize that we are going to have to provide much greater support if the Hospital is to continue to provide free service in the same measure for those who cannot pay for it.

While some of our churches support the Hospital well indeed, most of them could do far more than they have been doing. We want to bring this to your attention, asking you to go back to your church and give this information to your people and help to lead them to give serious consideration to the Hospital's vital ministry and its urgent need.

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

1966 ASSOCIATIONAL REPORT

Reflection on the past year of life in our four Baptist Homes for the Aging is a reminder once again of the goodness of the Lord to us. We are constantly aware if the bountiful way in which He has blessed us, and this has been particularly true since our last report to the good people in our Baptist Associations.

During this time we have ministered to 172 deserving older men and women. All of these have been blessed by the love gifts of North Carolina Baptists, through the Special Day offering, received on the third Sunday of February each year, and through our share in the Cooperative Program. The large majority, at least 85%, have benefitted directly from these gifts and have actually been sustained at the point of their financial need.

The Special Day offering for 1966 is at an all time high and looks as if it might be $100,000.00 for the first time. This is very good, and we are profoundly grateful. We must not forget, however, that, even though there has been a 5% increase in the offering from last year, costs have advanced by 7%.

We are in the midst of miracles, and the past year has been one in which we have witnessed unusual blessings from the Lord. There have been fewer deaths than previously, and the critically ill, in many instances, have been brought back to a measure of reasonably good health. Nursing care has been of the highest quality, and you would rejoice to know how far your concern and your gifts go in ministering to the needs of the residents, particularly at the point of tender loving care in illness.

Perhaps the outstanding paradox in all of our Homes is that the first resident to receive a Medicare card, during this first year of the operation of Medicare, is our oldest resident, who never takes any medication at all and who does not need to see a doctor, or go to the hospital. She is Aunt Fannie Drumwright, who celebrated her 105th birthday in July.

It is anticipated that construction will begin on our fifth Home at Yanceyville during the coming year, and when it is completed, we will be able to minister in all of our Homes to 200 older men and women and relieve, in measure, the terrific pressure of a long waiting list of 170 people.

This ministry of love, in Christ's name, is dependent upon the concern, the love, the prayers, and the increased financial support of North Carolina Baptists. We are, therefore, going to count heavily on you and believe that you will not disappoint the aging people who are looking to you urgently for help.

SUNDAY SCHOOL REPORT

At the close of another year of Sunday School work, I look back to see what has been accomplished. We cannot visibly see much progress, although only time will tell if we have advanced in our Sunday Schools.

The major emphasis for this year has been to teach the Biblical revelation; reaching all prospects for the church; and leading all church members to witness daily. Adult Thrust year 2 has gained wide acceptance among the churches. They have been made to realize that if a church is to fulfill its functions, it must give adequate attention to adults.

Also new this year was an alternate series of Sunday School lessons "Bearing Our Witness for Christ". These lessons were designed to lead all church members to witness daily. Our January Bible Study of "John's Witness to Jesus" was in keeping with our theme on witnessing. Many of our churches reported having a good January Bible Study Week.

Many Sunday Schools did not report all Vacation Bible Schools held, but we feel that most churches had one.

I would like to urge all Sunday School Officers to keep in touch with your Associational Sunday School Officers. They are ready and willing to help with any problems. Working together in a united effort is the only way we will be able to reach our goals in the Brunswick Association.

Again, let me encourage all Superintendents to work toward having a Standard Sunday School in 1967.

TRAINING UNION REPORT

Our Training Union met for "M" Night this year at Mill Creek Baptist Church. Eighteen of our churches were represented by some 272 people. We heard an inspired message from Rev. Neal Peyton. Rev. Peyton works with the deaf in our state. Let's all pray for him and his work. Let's make this year's "M" Night the largest ever held. "M" Night will be at Sabbath Home Baptist Church, November 28, 1966.

The Regional Training Union tournament was held at First Baptist Church of Tabor City. Brunswick association was well represented. I was proud of the wonderful work done in our churches. I hope next year will be much better. Won't you church leaders and parents begin now to encourage your children and church brethren to participate in these events. The knowledge of the Bible gained through participation in these tournaments can never be taken away.

Youth Night was held at First Baptist Church at Shallotte. It was not as good as it should have been; but, I thank God for the ones that did attend. I pray for a better Youth Night next year.

Let's all pray that next year will be a great year in the Brunswick Association for Training Union. Let's all work and pray that Brother Tyler Potter, with the help of God and everyone in Brunswick County, will have the best year ever. Christ's message to all Christians: "Go therefore and make disciples of all nations, baptizing them in the name of the Father and the Son and the Holy Spirit, teaching them to observe all that I commanded you, and lo, I am with you always, even to the end of the age." (Matt. 28: 18-20)

REPORT OF THE CONSTITUTION COMMITTEE TO THE BRUNSWICK BAPTIST ASSOCIATION

We bring no recommended changes for this year which is not to say there is no need for change as was pointed out by the Rev. E. C. Chamblee at yesterday's meeting. . . . Our Constitution is far from being perfect, but as a result of changes that have been made during the past several years, it now better sets forth the rules and orders by which we operate and function as an association of Baptist churches. . . . But, if we fail to adhere to and abide by its precepts, then we would be as well off as if we had no constitution. If its guide lines and instructions are a hinderance to the Association's efficient operation, then there is a need for a constitutional change.

We recommend that the churches read and study the Associational Minutes and especially become acquainted with their Constitution. . I am sure that the Constitution Committee will welcome your suggestions towards its betterment.

BROTHERHOOD REPORT

One of the most exciting and challenging aspects of the new Brotherhood Program is the emphasis on service through mission actions. Christ has commanded his followers to become involved WHERE THEY ARE. World missions begin where the Christian is - in his community.

The new objective of Brotherhood as approved by the Southern Baptist Convention in its annual meeting, June, 1965 reads:

"The objective of the Brotherhood Commission is to support the Southern Baptist Convention in its task of bringing men to God through Christ by fostering programs that will assist the churches in their tasks of leading men, young men, and boys to a deeper commitment to missions, to a more meaningful prayer life for missions, to a larger stewardship on behalf of missions, and to a personal involvement in missions."

Brotherhood is now a church program for providing missionary education for all men, young men, and boys. It now stands on the same program level with the Sunday School, Training Union, Women's Missionary Union, and Music Ministry.

May our men recognize and meet the existing needs in each of our churches in the Brunswick Association in the coming year.

Respectfully submitted for Adoption,

John W. Butler,
Associational Brotherhood President

W. M. U. REPORT

"Grow In Grace And In The Knowledge Of Our Lord And Saviour Jesus Christ"
2 Peter 3:18

As I give this report of our Womans Missionary Union please pay close attention and if you did not strive to do as our motto says this past year, let's try this coming year.

Since our sunbeams are the beginners in our work I will start with them. Mrs. Lois Leggett the sunbeam director for part of this past year really did make a good start. The sunbeam focus week was observed. Sunbeam Day Camp for 8 year olds was held at Antioch Church. To the workers it proved to be very successful.

G.A.'s are always eager to work. Our director Mrs. Anne Price always has something for them to do. There was a rally, workshop and Mother-daughter Banquet which as always was well attended.

Now we go to a little older group under the able leadership of our Y.W.A. director Mrs. Lona Caudill. We tried to have a tea. After all the work that each of your executive board did, we had three members present and all of them from the same church.

For our women, I truly hate to make this report. Our prayer director, Mrs. Gertrude Williams planned an associational prayer retreat at Town Creek. The ladies of that church went all out to serve refreshments. I could count on my fingers the number of ladies present. Ladies, don't you believe in prayer? We had a W.M.U. Leadership Study and a Workshop. I am sorry to say that there was not a good attendance at either.

For our Annual Meeting we had Rev. John Zanon as our speaker. His message was about his life while still a Catholic Priest and also how he came to know our own Lord and Saviour; the blessings of his life now as an evangelist Preacher. Those of you who did not attend missed a great blessing.

The continuing task of Woman's Missionary Union in a church is to teach missions and to engage members in participation in missions at home and abroad in helping a church fulfill the mission for which Christ established it. Within the fellowship of the church, Woman's Missionary Union can discover new meaning in her watchword: "Laborers together with God."

MUSIC REPORT

The music department needs your interest. We are ready to help you any way you need. We can help in a school of music or a one night meeting to assist in planning. We have others we can call on to help with choirs, directing, and playing either piano or organ.

Please call on us and we will be willing to help you any time. It is most important to a service that the music be the very best available.

INTERACIAL DEPT. REPORT FOR BRUNSWICK

I can only Praise the Lord for his blessings in this work this year. We have held (5) five V.B.S. this summer with a total enrollment of around 400. There were 33 professions of faith and 14 rededications in these bible schools. One church reports that in revival services following bible school there were 27 professions, most of them intermediates. I also served as assistant camp director at Pembroke Youth Camp for G. A. girls there were 33 professions here out of an enrollment of 100 girls. Two of our girls from Lebanon attended the Camp with me and were greatly blessed from the camp program. I wish to thank each and every one for your prayers and concern during my illness and that of my son. Please continue to undergird this work of the Lord with your prayers that our race relations in Brunswick will continue to be good. The interacial prayer retreat was well received the expression was "Let's do this more often." This was sponsored by the W. M. U. executive committee, and held at St. Johns Church near Bolivia. A V.B.S. Clinic was held also in March at Mt. Zion Church Longwood. I have found our Negro people friendly and eager to cooperate in every way then can, when we offer help in brotherly love.

THE REPORT OF THE NORTH CAROLINA BAPTIST FOUNDATION, INC.

I like to think of us as stewards; after all, if we are to be identified as Christians, then indeed we must be stewards-----stewards of our time and stewards of our money. It is easy to define the term "steward" gramatically, but in a living sense it becomes a vital, and indeed a living meaning that motivates our every demeanor.

The North Carolina Baptist Foundation calls upon and indeed challenges individuals and churches to contribute of their financial means in accordance with the blessings of God to the endeavors of the Foundation. Contributions are accepted and even the smallest amounts pooled together with the other contributions reach out as a Christian hand of fellowship in the perpetuation of our Baptist work. Not only are cash contributions welcomed, but the Foundation likewise is ever ready to accept life insurance policies, securities, be they stocks or bonds, and also real estate. In making these contributions we can thus live in perpetuity in the lives of people who will follow us in the succeeding generations, since the Foundation would only use the income from the invested funds.

The interest within our denomination in the work of the Foundation continues to grow. The assets of the Foundation now total approximately One Million ($1,000,000.00) Dollars. The work of the full time Secretary within the department assures us of continued growth. Even so, in order to render its maximum service to the denomination, the Foundation must have the active support of the Ministers within our Convention and the Christian Leaders both within the Convention, extending down to the Associations, yes, even to the individual members within the various churches.

I would remind you again, that, collectively, North Carolina Baptists, One Million strong, are capable of doing the impossible in God's Kingdom work. The Foundation challenges you to thus join in this collective Christian endeavor.

REPORT ON EVANGELISM

This seems to be the age of rebellion. People everywhere are rebelling against constituted authority. Rioting mobs cover the streets at night in our large cities, firing guns at random and throwing fire bombs with precision. Lawlessness seems to be the order of the day. Man is bewildered and doped with despair. He searches for the answer but it seems to elude him.

Do we have the answer? We can positively say we do have the answer. God's answer is in the New Testament churches, preaching the Gospel of Jesus Christ, preaching both by precept and by example. We must become living epistles, demonstrating Christ's love and power through the working of the Holy Spirit.

God's answer to the critics and persecutors of the Church has been the hot and holy fires of revival. From Pentecost to the last real revival in the local church, God's answer has been conclusive and complete.

Southern Baptist's attention is directed to the Crusade of the Americas in 1969. Twenty-one countries are cooperating in the crusade. We must get ready. Our God is a God of planning and purpose. Now is the time to get every church committed to the crusade date for 1969.

We shall continue with our calendar of evangelism month by month, including our annual simultaneous, individual church, and area revivals.

REPORT OF THE ORDAINING COUNCIL TO THE BRUNSWICK BAPTIST ASSOCIATION NINETEEN HUNDRED AND SIXTY-SIX

Dear Brethren and Sisters:

The ordaining Council had only one request during 1965-1966. This was from the Farmers Chapel Baptist Church concerning the examining Mr. Lawrence Smith for the Gospel Ministry of the Lord Jesus Christ. The report of this meeting of the Ordaining Council is as follows:

Farmers Chapel Baptist Church
Leland, North Carolina

Dear Fellow Christians:

Upon request from your church an ordaining council was assembled on Friday September 30, 1966 7:30 P.M. at Farmers Chapel Baptist Church for the purpose of questioning Mr. Lawrence Smith to determine his qualities and qualifications for the Gospel Ministry. Those present for the questioning were: Rev. Robert E. Lee, Rev. Scott Turner, Rev. D. G. Thomas, Rev. Henry Register and Rev. Perry Whisnant.

The Committee is happy to report that they found Mr. Smith sound in doctrine, humble in spirit and most sincere in his desire to preach the Gospel. The committee was impressed with the way Mr. Smith answered the questions, and we feel that God has definitely called him into the ministry.

Therefore, the committee recommends that the church continue with her plans to set Mr. Smith aside ordaining him into the Ministry of Jesus Christ. We pledge our prayers in his behalf, wishing him God's blessings in his work.

Cordially yours in His name,

The Ordaining Committee:
Rev. Perry Whisnant, Chairman
Rev. Scott Turner
Rev. D. G. Thomas
Rev. Robert E. Lee

CHURCH LIBRARY REPORT

The theme for our Southern Baptist Convention for the year 1966-67 is "A Church Fulfilling Its Mission Through Education." Nothing else will help a church fulfill its mission in education like a church library. A church library is much more than a collection of books. It is this, of course, but it is also the Resource Center for the entire church and each of its organizations. Its collection of books, audio-visuals, periodicals and pamphlets will enrich lives, enliven programs of every organization within the church, and encourage workers and boys and girls to develop the potential that lies within them.

Each Christian has a constant need for spiritual renewal and growth. There are many great books that will challenge us to a deeper faith and to an acute awareness of our world today as a mission field. Books can and should furnish pleasure and enjoyment for our lives - and how very true is the old quotation: "A man who does not read is no better off than the man who cannot read."

Last year only five churches in the Brunswick Association reported libraries. By today I hope there are others. I know of one church which is planning to organize a library. Every church in this Association needs a library, a Church Resource Center, a library that is used by the entire membership.

REPORT OF THE RESOLUTIONS COMMITTEE

Your committee on Resolutions recommends that the Association enter into the following expressions of appreciation:

1 - To the Southport and Beulah churches for their hospitality to all the Associational Messengers and visitors.

2 - To Reverend Henry Register, our Associational Missionary, and the various committees working with him, for a well conceived and inspirational program.

3 - To Mr. Kirby Sullivan, our Moderator, and the other officers, for their fair and orderly handling of the proceedings of the Association.

4 - To all special guests who have contributed so generously to our program.

5 - But most especially do we express our gratitude to our Master for the spiritual and material blessings so generously bestowed upon us. And in the expression of appreciation may it be but a challenge to us to reach up and outward toward greater goals in the Kingdom's work of our Creator.

(Miss) Ruth Galloway

Every church can have a library by meeting four requirements: A vision on the part of the pastor and at least a few of the leaders; a sincere love for people; encouragement in the use of the library by the pastor and the leaders; and a sense of need of help in performing their tasks in the church.

A church library can cost a lot or a little, depending on funds available. It can use a lot of space or a small amount of space. There's even a way to have a portable church library. Many free helps are available from the Church Library Department of the Sunday School Board in Nashville. Miss Hilda Mayo in our State Baptist Headquarters will be glad to help you. The Church Library Department also has a free book offer to help churches get libraries started and the Baptist Book Store sells a kit, containing all the supplies you need to begin, at a very reasonable cost. In the summer the Book Store branch at Caswell will also work with you in securing books and audio-visuals.

Your church needs a library. Your church can have a library. Won't you be the ones with vision to go back home and get one started?

Respectfully submitted,

Mrs. Susie S. Carson

REPORT ON CHRISTIAN EDUCATION

For the Fall Semester of 1966, our seven Baptist colleges in North Carolina enrolled 11,414 students. Approximately 600 of these expect to give their lives to a Christian vocation. These include: pastors, chaplains, directors of religious education, directors of church music, home missionaries, foreign missionaries, institutional workers, denominational workers, teachers, and many others. Our Christian colleges are having a great influence in the development of these dedicated young people.

A grand total of $1,382,000 was budgeted from 1966 Cooperative Program funds for Baptist colleges in North Carolina. In addition to this, each college will share in the anticipated Cooperative Program coverage of approximately $120,000. For 1966 the Cooperative Program income for the seven Baptist colleges represents an endowment in excess of $35,000,000. This guaranteed annual income is an important factor in maintaining accreditation. The Cooperative Program has been called the lifeline of North Carolina Baptist Colleges. An advance for the Cooperative Program is always an advance for Christian higher education. We of the Brunswick Association can and should have a greater part in this as we increase our giving through the Cooperative Program. Our support of Christian education has a great bearing on world missions as our trained young people go out from our colleges to make their Christian witness felt in many areas of the world.

Dr. Hoyt Blackwell, Mars Hill College, and Dr. Carlyle Campbell, Meredith College, retired at the close of the school year, 1966. Dr. Leslie Campbell, Campbell College, has announced his retirement as of June 1967. Too much could not be said for the contribution which these men have made to the cause of Christian higher education.

Two fine Christian men, both of whom have served as deacons in Baptist churches, have been elected to head Mars Hill College and Meredith College. Both of these men possess the highest Christian and educational qualifications. Dr. Fred Bentley, formerly Dean of the College of Arts and Sciences, University of Louisville, is the new President at Mars Hill College, and Dr. Bruce Heilman, formerly Vice President at Peabody College, is the new president of Meredith College. A special committee is at work at Campbell College to recommend Dr. Leslie Campbell's successor.

The Council on Christian Education, at its July meeting on the campus of Chowan College, voted unanimously to engage in a special study on the Christian vocational worker. Concern is being felt throughout the Convention because of the general decline in the number of young people choosing a Christian vocation. Two of the main emphases of this study will be: (1) The most effective way that the Baptist colleges, the State Convention and the local churches can join hands in enlisting more young people for the Christian ministry; and (2) how more financial assistance can be made available to these students.

Let us remember with fervent prayer and renewed effort these seven Baptist colleges and their leaders and our Council on Christian Education as they seek to furnish Christian education and leadership training for our young people.

Respectfully submitted,

Mrs. Susie S. Carson

REV. W. C. FRANCIS

The memories of a life overflowing with christian love, sacrifice, and concern for people will long leave its imprint on the Brunswick Baptist Association and the Mill Creek Baptist Church.

We thank our Father for Men of God, such as their dear Brother in Christ, who are dedicated and so faithful to the Great Commission as recorded in Matthew 28:19-20.

Saddened by the home going of this beloved pastor and preacher, the Rev. W. C. Francis, the Brunswick Baptist Association dedicates to his memory, this edition of the Minutes of the Association.

REPORTS

AMERICAN BIBLE SOCIETY

The American Bible Society shares the concern for worldwide missions which Southern Baptists are expressing in plans for the Crusade of the Americas and World Missions Year in 1969. The entire program of Bible Society work is founded on these basic missionary principles:

People must have the Bible because it presents Jesus Christ, the one hope of men and nations.

Each person must have the Bible in his own language because it speaks to his heart as no other language can speak.

The Bible is the essential tool of missions and evangelism.

The missionary uses it in all his work. The Bible itself is a missionary. It can go where the human missionary cannot go. It can stay on after he must leave -- and keep on speaking to a person's heart.

But, there is a worldwide shortage of Bibles, because in most countries, people cannot afford even the cost of printing the Scriptures.

The American Bible Society is a worldwide missionary organization. It is an active partner in Southern Baptist work. It helps missionaries translate the Bible. It publishes the Scriptures without note or comment and distributes them without profit, usually below cost, and often without any charge in cases of special need. For the Blind, it supplies Scriptures in Braille and other raised-letter systems, Talking Bible records and tape recordings.

During 1966 the American Bible Society --

- rejoiced that some part of the Bible has been published in 1,280 languages; the full Bible in 240, a Testament in 301 more, a Gospel or other complete book in 739 more -- but still counted over 1,000 more languages in which not one book of the Bible has yet been published.

- gave more than 500,000 Scripture volumes for distribution by Chaplains to our Armed Forces and Veterans' Hospitals, as a vital link between the home churches and men in service.

- produced, in several languages, Scriptures in everyday speech, printed in attractive forms. Outstanding among these is "Good News for Modern Man," the Today's English Version New Testament, translated by the Society's translation department. Published September 15, 1966, at least 5 million copies are expected to be distributed by the close of 1967.

- set new records by distributing 39,981,620 Scripture volumes in the U.S.A. and a total of 61,815,238 volumes, in over 400 languages, in some 150 countries around the world -- and continued to increase translation, publication and distribution to meet urgent needs.

Southern Baptists Support the Work --

Because the Bible Society serves mission work - and Southern Baptist missionaries depend on the Society for scriptures they need for their people - Southern Baptists believe in the missionary importance of giving to the American Bible Society.

(continued)

In 1966 Southern Baptist churches gave $233,896 to the American Bible Society and ranked first among all denominations. Gifts from all churches in the U.S.A. totaled $1,472,307.

Although Southern Baptist churches led in total gifts, the per capita gift is less than 2 1/2 cents per year and less than the per capita gift from several other major denominations.

Southern Baptist churches can lead, even in per capita gifts - if every church will give. Has your church given this year? Here are suggestions, based on what many churches are doing: Every church can give at least these amounts each year: Smaller churches, $10 to $60; Larger churches, $60 to $300; and Great city churches, $300 to $600 or more.

Please send your gifts to your Baptist state office marked "for the American Bible Society."

ANNUITY BOARD

There was a wonderful response to the new program of family and retirement protection during the first quarter of 1967. During the first three months of the year, more than 1,000 persons joined some part of the three plan program.

Because of excess interest earnings, all annuitants received a dividend check this year. Each check was for an amount equal to one-twelfth of the person's annual benefit.

Last year, more than $4,256,244 was paid in age retirement, disability or widow benefits to persons who had participated in the protection program.

The cost of living continues to climb. A retirement program based on a $4,000 salary is no longer adequate to meet the needs of a minister when he retires. Ten percent dues on the total salary are recommended as a minimum.

Many of our churches are still not participating in this program. Surely, this is one way we can show our love and appreciation for our fine ministers by helping to ease their minds about financial worries when they become disabled to work.

Therefore, if you are not participating in this program, let me urge you to pray about the matter. Then if you would like more information, contact Rev. Guy Cain, 301 Hillsboro Street, Raleigh, North Carolina.

Respectfully submitted, C. Frank Lennon, Rep.

ASSOCIATIONAL MISSIONARY'S

As I come to make an annual report of my activities and services for the past year I find that it would be impossible to report everything in detail. How do you report a "feeling" one has about an issue or program? Many things cannot be measured in numbers, weights, or in any other way. Yet there comes at times that "feeling" again that one cannot express.

Statistics always seem so cut and dried and so impersonal, yet I suppose to a degree they are necessary. It is impossible for me to report how many hundred, yes, thousands of pieces of mail that came through the office during the past twelve months. Circulars sent out, letters mailed, notices sent to persons concerning many and varied meetings. Besides the Associational News Letter has been mailed into every church every month, the news letter being published each month during the past year. The mailing list is growing larger and larger, which is good, and the new addressograph machine in the office has been a great help in this work.

A new type of Calendar of Activities has been sent out, three hundred copies being printed, and each church receiving enough for the heads of the organizations and other leaders in the church. We hope next year we will be able to have more of these calendars printed.

(continued)

Besides attending more than a dozen conferences, conventions and briefing meetings outside the Association to better prepare myself for this task, I report the following dry necessary statistics: I have traveled 38,000 miles, held a conference with 398 individuals, met with 184 groups to discuss various issues and met with 82 committees of all types and from all sections of the county and state, to discuss all types of situations. I have averaged speaking or preaching more than three times each week. All of this has been done because you made it possible, and if credit is due, then it goes to you of the Brunswick Baptist Association who made it possible for me to have the opportunity to serve in this capacity.

During the past year I have been in all of our churches, thirty-seven, either to preach, visit or have some type of meeting either with an individual, a committee or a group. Your invitations have been many more than I could accept, and I am very thankful to each church for the warm reception and willingness to follow the teaching of our Lord in the Great Commission, both at home and to the ends of the earth.

We are very pleased with the interest, with the increasing in your support of the work, and with the over-all program and activities. We have a long way to go, but a man walking a hundred miles must take it one step at a time, and he must begin with the first step. We have started, by God's help let us keep going. Each church in the Association this year made some contribution toward the financial support of the program. We are thankful indeed to each church for her part.

More interest is being shown in organizational work and the future looks brighter than it did twelve months ago, however, the light still shines only a short distance. We have but only touched the needs of the Association. We have but only tasted the bountiful meal God has prepared for us here if we will but only commit ourselves and apply ourselves to the task that is ahead.

I stand ready and willing to help in any way. You have but to ask. I do not project myself on any church, except to say I am available, unless I am invited. Please use me when you can.

Please pray for me as I continue in His service here. I pledge my very best in the year just ahead.

Respectfully submitted, Henry L. Register, Missionary

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

Your North Carolina Baptist Homes for the Aging have been on the move during the past year. In fact, we will be ready to move into our new Home at Yanceyville in September and will be able to receive 30 more dear old people into the family of our Homes. When the Yanceyville Home, our fifth, is occupied, we will have a total of 200 deserving men and women in our care in all the Homes.

As you know, we now have four Homes and an Infirmary in operation, Resthaven and Hayes Home in Winston-Salem; the Albemarle Home in Albermarle; the Hamilton Home at Hamilton.

In these Homes you have an eternal investment and can rejoice in the loving care which you are making possible for our older people. The majority are financially needy persons, and are supplemented through the love gifts of North Carolina Baptists. Two sources of income from the churches are increasingly vital in the support of our residents - the Special Day Offering, received on the 3rd Sunday of February each year, and our share in the Cooperative Program.

The Special Day Offering for 1967 is at an all-time high and has increased by 10% over last year. This is most commendable, but when we face the reality of costs, which have advanced by 20%, and the maintenance of a new Home and the care of 30 additional residents at Yanceyville, we could face a real crisis during the next year, unless the gifts from our Baptist people continue to increase in proportion to our needs.

(continued)

We wish to thank all of our Baptists across the State who are enabling us to minister to the aging in Christ's Name, and we want all of you to know that each of your five Homes exists for the people from all over our great State. We could not operate without your love, your prayers, your concern, and your financial support.

During the past year fifteen of our Brunswick churches contributed $349.16 to this wonderful work.

THE BAPTIST HOSPITAL

In almost every family serious illness sooner or later strikes, it is then that we start thinking which is the hospital that we will try to get our loved ones admitted for treatment. We seldom think of a hospital as anything more than just a building until illness comes to our homes, which is not as it should be. Our Baptist hospital at Winston-Salem is one of the best equipped and one of the largest institutions for healing, both physical and spiritual, in the state, and our church offering given through the Cooperative Program is used to help pay the operating expenses of the free care department of the hospital. The Cooperative Program for 1967 was budgeted for $6,120,000. From this budget, 33.5% is set-up for Southern Baptist Convention purposes and amounts to $2,050,200; set-up for State Convention objects is 66.5% or in money, $4,069,800, breaking this down further, we have designated only 3.6% or $220,000 for the hospital. Our Mother's Day offering in May of each year is a great help in the operation of the hospital's free help to patients who generally have exhausted their life savings before applying to the Baptist hospital for help, therefore, let us keep these facts in mind as we make our contributions for the great work that the hospital is doing, remembering "That as you have done it unto the least of these, you have done it unto me."

I have here what our Brunswick Association contributed directly through the last Mother's Day offering, also the 1966 offering - 1966 $788.36; 1967 $850.75, an increase over 1966 of $62.69.

Last February, the directors of the hospital set-up area meetings throughout the state inviting pastors and hospital representatives for discussions on a plan, or plans, whereby more help would be given for the rising costs at the hospital. Your reporter attended the meeting help in Lumberton and the final conclusion was to ask each association to try to get each church in their association to increase their contributions by at least 40%. Some churches in our association did and some didn't, so lets do our best this coming Mother's Day to do at least that much better.

The Hospital is presently beginning a program of expansion which will cost approximately 14 million dollars and add many valuable services to what they have at present. It is a building plan that will not cost our churches anything as this money is a direct foundation gift to be used only in a building program. It now behooves us as Baptists to rally to the great boost that we have in this large gift and show that we can, and will, do what we know to be a blessing to our denomination.

BROTHERHOOD

The 1966-67 associational year was significant for Brotherhood work in North Carolina. On October 1, 1966 a new plan of organization went into effect. The Brotherhood Department gave special emphasis to "The Church Fulfilling its Mission through Education."

Two study groups recently delved into the church's educational responsibility, placed it in perspective for Christians, and made some suggestions for Christian men to follow.

They discovered that Christian education has a rich history traceable back to the time Christ established His church. Actually Christ called the church to an educational activity in the Great Commission when He committed Christians as a fellowship to evangelize the world.

The early churches emphasized teaching because they wanted primarily to instruct converts to Christianity.

However, over the years the role of education broadened. It sought to instruct unbelievers in the Christian faith and to lead them to Christ, and to make believers increasingly aware of Christ as their Saviour, the work of the Holy Spirit as God's gift to them, and the necessity of commitment to Christ as Lord of every aspect of their lives.

WHAT IS BROTHERHOOD?

Brotherhood is the church organization which provides missionary education for all men, young men, and boys. It is one of five educational organizations in a Baptist Church. The other organizations are Sunday School, Training Union, Woman's Missionary Union, and Music Ministry.

There are three units of Brotherhood: Baptist men, all men 25 and older; Baptist Young Men, all young men 18-24; and Royal Ambassadors, boys 9-17. Within Royal Ambassadors there are closely graded units: Crusaders (ages 9-11), Pioneers (ages 12-14), and Ambassadors (ages 15-17).

The term Brotherhood is used to identify the church's program of missionary education for men, young men, and boys. If a church has any of these units it has a Brotherhood program and should report it on the church letter to the association. Each unit has its own plan of work and organization, although it is a part of the larger Brotherhood program in a church.

WHAT IS THE OBJECTIVE?

The objective of the Brotherhood program in a Baptist church is to lead men, young men, and boys to a deeper commitment to missions, to a more meaningful prayer life for missions, to a larger stewardship on behalf of missions, and to a personal involvement in missions.

This objective of Brotherhood is in keeping with a church's desire to fulfill its mission -- the presentation of the gospel of Christ to all the people of the world with the purpose of leading them to a personal faith and obedience to His will.

WHAT ARE ITS TASKS?

Southern Baptist churches have discovered that organizations are good tools to use to do their work. Churches try to reach their goals by grouping related jobs and assigning them to an organization to carry out.

The Brotherhood organization performs our tasks in keeping with its objective.

1. TEACH MISSIONS TO ALL MEN, YOUNG MEN, AND BOYS

One of the main tasks of the church is to teach the missionary message of the Bible, the history of Christian missions, and contemporary missions.

The Brotherhood program is designed to help the church fulfill its missionary education responsibilities. To do this, the Brotherhood centers its study on the Biblical basis for world missions.

(continued)

The study emphasizes strongly the role of the church in the missionary movement and activities in all areas of the world as well as all people of the earth. Also essential in understanding the mission of the church is knowing the history of Christian missions, how Southern Baptist mission boards function, and how Southern Baptists finance mission work.

When men and boys become involved about their church's mission program, their interest will influence every area of church life. The members will have compassion for the unsaved without regard to race, culture, or location. The work of that church will have greater personal significance for the members will be anxious to minister to human needs in the name of Christ. The study of missions is vital to the life of a church.

2. LEAD ALL MEN, YOUNG MEN, AND BOYS TO PARTICIPATE IN MISSION ACTIVITIES

Out of the study of missions comes motivation for involvement. The Holy Spirit of God will speak through an understanding of God's Word. The concern and compassion for people will move individuals to mission action. It is like the vision that Paul had of the man in Macedonia who stood praying --- "Come over into Macedonia, and help us." (Acts 16:9)

Many churches will find that an active program of Brotherhood work will reach people with special needs. Every community has people of this nature - the illiterates, blind, poor, deaf, juvenile delinquents, international students, people in prisons and rest homes, and transients. All of these people need the ministry and witness of Christ.

When mission concern is genuine it will find expression where people live. To go in love is the work of church members.

3. PROVIDE ORGANIZATION AND LEADERSHIP FOR SPECIAL PROJECTS OF THE CHURCH

A project has a definite beginning and ending time. It is different from the daily ongoing work of a church. The church revival is an example of a project. The special mission offering is an example. These projects and many others are important in the ministry of a church. The Brotherhood units are resources for a church to use in conducting these projects. Most of the projects demand the best efforts of all organizations. They are usually co-ordinated through the church council to simplify planning and eliminate overlapping and duplication of effort.

4. PROVIDE AND INTERPRET INFORMATION REGARDING THE WORK OF THE CHURCH AND THE DENOMINATION

Another important part of the Brotherhood program is keeping all of the members abreast of the work of the Southern Baptist Convention. This program of sharing information about the denomination is known as channeling. Through curriculum materials, Brotherhood publications, and special emphases the men and boys are kept informed of the Southern Baptist Convention's work.

Now men you know your duty as Christians, lets go to work for our Lord and Saviour, Jesus Christ. For more information write your Brotherhood Department, 301 North Hillsboro Street, Raleigh, North Carolina, or write or call me your Associational Brotherhood Director, Sam J. Corbett, Sr., Leland, North Carolina (phone: 763-2138).

NORTH CAROLINA BAPTIST CHILDREN'S HOMES

Helping children and young people to grow and develop toward Christian maturity is one of the greatest privileges in life. No task is more important than helping a child to grow into healthy, well-adjusted, responsible citizenship. At the Children's Homes we seek to provide the proper atmosphere, encouragement and supervision to assure the development of inborn, God given talents of our children.

This agency offers a variety of quality services to the children of families who have not been able to continue a satisfactory pattern of living together. A total of 33 cottages on five campuses provide group care of different kinds. There are two residences for emotionally disturbed children, convenient to a great medical center where psychiatric services are available. This fall, for the first time, a single cottage at Wallburg is being opened for the rehabilitation of boys.

In addition to group homes, the needs of many children are met through the use of foster homes. A growing interest in this phase of your work is encouraging. Many families are finding happiness and opportunity for service in caring for foster children. Thus, many boys and girls, who otherwise would not have this opportunity, are privileged to grow up in Christian homes. Should you have an "extra measure of love" to share in this way the Homes would like to know of your interest.

Regional case work centers, staffed by trained social workers, are located in six prominent areas of the State and add to the ability of the Homes to offer counseling services to distressed families and to those whom family rehabilitation has been achieved.

In June of 1967 the first of the family living cottages was completed and is being used by brothers and sisters who can profit by sharing the same home. This building was provided by Mr. and Mrs. William M. York of Greensboro, and is named the York Cottage. It is a model for the family living approach in group child care. A similar cottage is already under construction at Mills Home and two buildings of this type are now being built on the Kennedy Home campus.

The Child Development Center on the Mills Home campus was established to serve the local community as a means of strengthering family life and to provide a demonstration and informational program which can offer assistance to churches in beginning any phase of weekday care and education for pre-school children. During the 1967-68 session the Center will serve 70 children and their families in two kindergarten groups, with about 35 children in full day care. The staff is providing consultation services upon request to churches interested in the program.

Members of the Board of Trustees and the Staff of the Children's Homes are committed to the task of maintaining a Christian program of Child Care - a program that will merit the undivided support and loyalty of our people and that will bring favor to our Lord. To that end it is our purpose to meet, as effecively as possible, the challenges of our day.

CHRISTIAN EDUCATION

Christian education has a rich history traceable back to the time Christ established His church.

Over the years the role of education has broadened. It stresses the importance of a cooperative and unified concern for the total development of each person.

What is Christian Education? It begins in the home, under the guidance of God-fearing parents, then on through the public schools, as college age draws near, to enroll in a Christian school.

(continued)

There is no teaching on earth which so dignifies the teaching of Christ. "If the iron be blunt and he do not whet the edge, then must he put to more strength." Ecclesiasties 10:10. Plato wrote "Man becomes what he is principally by education." If this is true, how important is it that your child's college education be Christian?

CHURCH LIBRARY

There have been no additional church libraries reported in our Association since our last annual meeting. At that time there were three libraries reported. Several other churches have expressed a desire to begin a church library but are as yet in the planning stages.

During the new church year with its increased emphasis on ministry, we have a great opportunity through church libraries to become involved in an outreach that can touch the lives of many in our association. The power of the written word in the mission of the church in teaching, proclaiming, worshipping and ministering must not be overlooked.

The library, as the church's resource center, is needed to serve all the programs of the church. In collection of teacher training materials and lesson helps, both in book and pamphlet and magazine materials, makes it the ideal place to look for help in potential leadership training. Its books and related materials on soul winning and missions make it the place to look for help in leading church members to realize the vital necessity of worship experiences with the Master. Through the materials available in the church library the church can also be led to action as it seeks to fulfill its task of ministering to the needs of those about us.

Libraries can cost a lot or they can be established for a moderate amount and can continue to grow through the years. Even a collection of 25 books and a good vertical file and a librarian who is dedicated to the task can make a tremendous impact on the life of a church if the pastor and people are willing to use this means of serving Christ.

I urge each church in this association to seriously consider establishing a church library, to make use of the many helps published by our Sunday School Board for this purpose, and to seek out dedicated persons to perform this ministry of the church. In our state, Miss Hilda Mayo, Associate in the Sunday School Department, Baptist State Convention, 301 Hillsboro Street, Raleigh, will be very interested in helping you set-up a library in your church.

I hope that during this new church year at least three churches in the Brunswick Association will begin a church library. This is my challenge to you. It will be my joy to help you if you need me.

Respectfully submitted, Mrs. Susie S. Carson, Representative

CREDENTIALS COMMITTEE

Three churches have written letters of application for admission to the Brunswick Baptist Association.

THE BOILING SPRING LAKES CHURCH has made application. They have been under the unique supervision of the Association by act of the Executive Committee for part of a year. The Association Constitution states that a church must be under the watchcare of the Association for one full year, and then it may become a member of the Association. This letter of application places them now under the watchcare for one year and the Credentials Committee will have to make a recommendation next year, 1968, as to their becoming a member of the Association.

(continued)

THE HOWELL POINT MISSION has written a letter asking to be received under the watchcare of the Association. Since they are still a mission they are not qualified to come under the watchcare of the Association. The Credentials Committee recommends that no action be taken on this application, but they continue to work with the Antioch Baptist Church, the mother church, until such a time they become a full constituted church, and then they may make an application for membership according to the Constitution.

THE OAK ISLAND BAPTIST CHURCH makes application for membership in the Association and they now come under the watchcare of the Association for one year and action will be taken on their application at the next annual session.

Respectfully submitted, Rev. Sidney Britt,
for Committee

GENERAL BOARD

Your General Board representative reports to the Association on the affairs of the Baptist State Convention during the past year. This is the second year of my appointed tenure. I have served as a member of the Executive Committee for the past three years. During the same period of time I have served as Secretary of the Council on Christian Higher Education and as chairman of the sub-committee on Christian Emphasis and Church-School Relations.

The past year has been a reasonably successful year for the convention. The churches have met the basic budget through the Cooperative Program; however, our cooperative giving has not equalled the growth that has been experienced for the past several years. The basic budget for next year is set at roughly six and one-half million dollars, with the hope that it will be, in reality, closer to seven million. Of this amount, approximately one-third goes to the Southern Baptist Convention. Approximately one and one-half million dollars goes to the colleges and the remainder is to be divided among the various State Convention programs.

Since retirement, Dr. Huggins has worked diligently on a history of North Carolina Baptists. This is now completed and is on sale in the Baptist Book Stores. Every pastor in the Association should own a copy for information purposes. This fits in and supplements Dr. Pascal's history.

Wake Forest College has now become Wake Forest University. Gardner-Webb has made definite plans that will lead Gardner-Webb from a two-year college to a four-year college.

The auditorium at Caswell is under construction and will be ready for use during the summer of 1968. Fruitland Baptist Bible Institute has been expanded and the facilities considerably enlarged, to the end that the school can give a broader ministry. The Baptist Hospital is in a large future development program. Paractically all of the colleges are expanding their facilities.

In all phases, except in the fields of ministers and contributions, our Convention and its ministry is growing by leaps and bounds. There is an alarming shortage of ministers, ignoring the word "qualified". I have been appointed chairman of a committee to investigate this situation and try to report to the Convention and for the colleges within the next year. Our churches are not contributing enough money to adequately run a program as ambitious as we are trying to run. There is just not enough money to adequately go around.

It has been a pleasure to serve on the General Board of the Baptist State Convention. It has been educational as well as fruitful. In closing, I would observe that when our churches hesitate to make contributions to the Cooperative Program, they should remember that consistently for the past several years Brunswick Association has received back from the Baptist State Convention in mission work and aid to churches more money than our churches have contributed to the Cooperative Program.

Respectfully submitted, E. J. Prevatte, Representative

"I can never really begin to tell all that this summer has meant to me, for how do you communicate the joy you feel when you realize that you had a part in winning 41 boys and girls to Christ? And how do you explain what it means when you find you love as brothers in Christ people you had always feared? Words fail me, but I will say this, I would not exchange this summer for anything in the world."

This is the final paragraph of a letter written by one of the first two white college students who have ever served for a summer in the Department of Interracial Cooperation. But the summer of 1967 also held other successful efforts such as 42 Vacation Bible Schools enrolling over 3, 600 boys and girls. In the Asheville area there were seven standard schools held in our General Baptist churches.

Another new undertaking for 1967 was a series of four Human Relations Conferences held in May at Wilmington, Fayetteville, Rocky Mount, and Statesville. The enrollment and participation were encouraging.

Also, in May we regretted to receive the resignation of the Reverend James Barber, a teacher-missionary in Fayetteville. Mr. Barber accepted the pastorate of two churches in Chadbourn and Whiteville.

The Department supported efforts to begin an annual week of interracial fellowship and Christian study in August at Chowan College. It, too, proved successful and will be repeated next year. A similar week of fellowship at Mars Hills College in July had the usual good results.

Again this year a goodly number of the General Baptist State Convention participated in the summer camps and assemblies operated by the Baptist State Convention. It is hoped that these facilities will be used increasingly in the future.

The convention year reached a climax in August as the General Baptist State Convention held its centennial celebration and voted unanimously to enter the Crusade of the Americas. The vote included the acceptance of an invitation for the two conventions to jointly plan and sponsor a conference on evangelism to be held in Greensboro in 1969.

The year has been most encouraging but concludes with much work yet to be done. It is our prayer that the dedicated Christians in our Baptist churches throughout North Carolina will continue to work tirelessly for the time when all of God's people might sit down together and plan and work to fulfill the purpose of God in the world.

INTERRACIAL DEPARTMENT WORK IN THE BRUNSWICK ASSOCIATION:

We have had a good year of work in Brunswick, beginning with a full team attending the state V.B.S. clinic. Then I helped in the institutes held in Longwood for two weeks in January and February. We got to talk with the pastors and deacons attending, to interest them in the teaching and training program of the Baptist church.

Six Vacation Bible Schools were held, they included twelve churches. Little Macedonia and Big Macedonia held a joint two weeks school.

I participated in two Race Relations Days as a visting Sunday School teacher, and attended a Human Relation Conference at Winter Park in Wilmington. I wish each of you had been there.

Our attendance was off in the Vacation Bible Schools due to summer schools in progress in the area.

A prayer retreat was held at Mt. Zion Church in Longwood, sponsored by the W.M.U. Executive Committee. Held for mission leaders only, there were about forty leaders present.

Respectfully submitted, Mrs. Dewey Robbins, Representative

MUSIC MINISTRY

We wish to thank you for the chance to serve you as Music Director. I remain at your service to help in any possible way.

Music is the outward expression of our inner feeling. The music in our churches is improving in group singing and the number of instruments used. Also, new choirs are being formed. I would like to encourage the use of children in the evening services. My experience has been that they will take part.

We wish the best to the Rev. Jackie Cooper, our new Music Director, and hope that you will support him in the work.

There is a School of Music being planned, the date and place to be announced later.

May God bless us, always, as we sing for Him.

Respectfully submitted, Mrs. Jim H. Williams, Director

NORTH CAROLINA BAPTIST ASSEMBLY

North Carolina Baptists should be proud to have, at our disposal, our two fine assemblies, North Carolina Baptist Assembly at Fort Caswell and Fruitland Baptist Camp and Bible Institute near Hendersonville.

Our assembly at Fort Caswell was well supported by the Baptists of North Carolina during the 1967 season. The total attendance was 8, 631. All of our associations were represented except eight. Raleigh Association had the highest attendance with 796. Only eighteen persons from Brunswick Association availed themselves to wonderful Christian training and inspiration which is so near at hand. During the past ten years the attendance at Caswell has grown from 4, 956 to 8, 631. Junior Music Week was the largest conference with 1, 021 attending. The new modern air-conditioned auditorium is now under construction and should be ready for the 1968 season.

Due to budget problems, the Fruitland Bible Institute will not add the proposed college preparation department at this time. This gives the opportunity to make some needed adjustments in the schedule of the present 24 courses. The Fruitland Baptist Bible Institute is a school for ministers who cannot attend college and seminary. Fruitland Baptist Camp is scheduled during the summer months for Training Union and G. A. Camps and Associational Missionaries and Music Leadership Conferences.

Respectfully submitted, Mrs. Ann L. Price, Representative

NORTH CAROLINA BAPTIST FOUNDATION, INC.

In the absence of our very efficient Executive Secretary of the Baptist Foundation of North Carolina, we shall attempt to provide a brief report for such use as may be necessary for the Associational Meetings beginning the first week in August. Certainly in the history of the work of the Baptist Foundation and especially in its last four years of active promotion, 1967 will be remembered as a year of tragedy with our leadership. For some months our Chairman, Dr. I. G. Greer, has been critically ill in his home in Chapel Hill. Some two weeks ago our Executive Secretary, C. Gordon Maddrey, was stricken with a series of heart attacks and has remained in critical condition in Rex Hospital. The loss of the leadership of these two faithful men at any time would be tragic, but especially as we approach the annual meetings of our Associations throughout the Convention.

(continued)

If Mr. Maddrey were able to prepare this report, he would thrill us with the many interesting and challenging developments up to the time of his illness two weeks ago. This has been the most fruitful year in the work of the Foundation with many new commitments and marked progress in developing some of the projects of large standing. This is especially true of the new Home for the Aging in Yanceyville which you will hear much more about in the report on the Homes for the Aging. Certainly this will continue to constitute a great challenge to many of our people who can find in the Baptist Foundation their finest opportunity for investing in Kingdom Enterprises.

It will be our purpose to have a representative in all the Associational Meetings to bring a last minute report on both the work of the Foundation and the condition of our fine leaders. Certainly all of us will continue to remember them in our prayers and best wishes.

Respectfully submitted, D. J. Hawes, Representative

ORDAINING COUNCIL COMMITTEE

There were two men ordained for the gospel ministry during the Associational year 1966-1967. They were as follows: Mr. Lawrence Smith, whose ordination was requested by the Farmer's Chapel Baptist Church, on September 30, 1966 and in compliance to this request Mr. Smith was questioned as to his soundness in the Baptist doctrine and beliefs. The questioning committee was composed of the following Baptist ministers: Perry Whitsnant, G. Scott Turner, D. G. Thomas, R. E. Lee, and H. L. Register. Mr. Smith was found to be sound in the Baptist doctrine and in his beliefs and was recommended for the ordination. This recommendation was administered by the Farmer's Chapel Baptist Church, November 13, 1966.

A request was made by the Southport Baptist Church that Mr. William Deiz be questioned for ordaination into the gospel ministry. Mr. Deiz was questioned as to his soundness and beliefs in the Baptist doctrine and faith. His answers were very satisfactory. A recommendation was made by the Chairman, Rev. W. C. Frances, to the Southport Baptist Church to proceed with plans for the ordination. Mr. Deiz was ordained June 11, 1967.

Respectfully submitted, Rev. A. R. Waisner, for Committee

COMMITTEE FOR PLACE AND PREACHER

The committee to recommend places and preachers for the 1968 sessions of the Brunswick Baptist Association met September 14, 1967, at the office of the Associational Missionary. At that time it was decided to accept the invitations of Elah Church for the first day and that of Gospel Center Church for the second day.

The following are recommended for the messages: A. R. Waisner, first day; Robert L. Lee, alternate; George W. White, second day; Jack Cooper, alternate.

The committee wishes to acknowledge and express appreciation for invitations which came after we had met from Peace Memorial Church and Sabbath Home Church. If it is the wish of these churches to continue the invitation to the 1969 sessions we will turn these invitations over to the committee for that year.

Respectfully submitted, J. J. Hawes, Aaron Inman, Committee

RESOLUTIONS COMMITTEE

Your committee on Resolutions recommends that the Association enter into the following expressions of appreciation:

1. To the Antioch and Soldier Bay churches for their hospitality to all the Associational Messengers and visitors.
2. To Reverend Henry Register, our Associational Missionary, and the various committees working with him, for a well conceived and inspirational program.
3. To Reverend D. G. Thomas, our Moderator, and the other officers, for their fair and orderly handling of the proceedings of the Association.
4. To all special guests who have contributed so generously to our program.
5. But most especially do we express our gratitude to our Master for the spiritual and material blessings so generously bestowed upon us. And in the expression of appreciation may it be a challenge to us to reach up and outward toward greater goals in the Kingdom's work of our Creator.

Respectfully submitted, Mrs. Nelson Bennett, Ira D. Butler, Sr., and E. J. Prevatte, Chairman

SUNDAY SCHOOL

We had a very good year in our Sunday School work this year. Most of our associational officers attended our quarterly meetings and the workshop.

The January Bible Study was held in most of our churches.

Our officers attended the State V.B.S. Clinic at Wingate, then came back and held a V.B.S. Clinic in our Association for the church V.B.S. leaders. This Clinic was well attended.

We had 33 churches having V.B.S. this year and held two V.B.S. mission schools. There were four Standard V.B.S. held this year.

Sunday School Action Night was April 17, 1967, and was the best one attendance wise we have ever planned for. There were 234 people present. The Rev. Henry L. Register brought the message.

There was a training conference held in September with 18 churches represented.

Next year we are planning to have two training clinics, one in each end of the associations.

I pray that all the churches will help make this coming year the best year yet.

Respectfully submitted, Harold M. Williams, Jr., Superintendent

TRAINING UNION

The Officers and Department Heads of your Associational Training Union would like to take this opportunity to thank you for your help and cooperation this past year, and to ask you to continue to pray for the Holy Spirit to lead in the Training Union work in each church.

"M" Night was an outstanding success with about 336 in attendance and 16 churches represented. We pray that even more of our people will take advantage of this opportunity this year on November 27, 1967, at Elah Church at 7:30 p.m.

Youth Night was held at Shallotte First Church with about 125 present. We hope and pray that Youth Night in 1968 at Town Creek Church will see more of us in attendance and enjoying the fellowship that God intended us to have as we work together in His service.

We would like to express to you our desire to help you in your Church in any way that we can, that this might be a great year in Training Union for all of our Churches.

Respectfully submitted, J. Tyler Potter, Sr., Director

WOMAN'S MISSIONARY UNION

As Christians we are "committed to helping a church fulfill Christ's purpose on earth." Through WMU we have an opportunity to spend our life working for something that will outlast life itself through the advancement of the Kingdom of God.

One of the best ways for a new year to have a good beginning is with fellowship. As we do each year we had a supper for our presidents and their husbands, pastors and their wives. We met in the Shallotte Cafeteria with one of the largest groups ever to attend.

Several ladies attended the State WMU meeting in Winston-Salem. We were greatly inspired as well as informed.

Our guest speaker at the Annual Associational Meeting was Miss Marjorie Spence, retired missionary to Brazil. So many of the ladies missed a great blessing for not having heard the message. Oak Island Church is to be commended for the hospitality shown us.

We had a large representation to attend the Workshop this year. It seems as if many of our ladies can't find the time to attend this meeting.

A Prayer Retreat under the direction of Mrs. Gertrude Williams was held at Antioch church. Our people do not seem to see the need of a meeting such as this. With a very few in attendance I can assure you that the Holy Spirit was present and we received a great blessing.

Mrs. Lona Caudill, Y.W.A. Director, is pleased with the response she has had this year. Each quarterly meeting and the Y.W.A. Tea was well attended.

The G.A.'s are always present at any meeting with a little encouragement. Our G.A. Director, Mrs. Anne Price, has an active G.A. Council, and with their help the past year has been great. The Mother-Daughter Banquet with over 200 in attendance is proof of their work.

Mrs. Lois Leggett, Sunbeam Director, along with several other ladies, were very disappointed with the attendance of our Sunbeam Day Camp. This group would have been much larger if parents of small children would have shown more interest. Mothers, you can't imagine what you are doing to your child by not getting them to this camp.

Let me say something that I hope will go to the heart of every parent in our Association. We still have a lot of young people who love the Lord, the church, and the cause of Christ. If ever in your life you felt it necessary to sacrifice something that you might spend more time with your children at home and in the church, now is the time to do it. Now is the time our youth need to be encouraged by concerned parents. If we fail to set the right Christian example for them, we have failed our God-given responsibility. Sure they may not understand you, but do you understand them?

Respectfully submitted, Mrs. Catherine G. King, President

Churches under watchcare of the Association shall make written quarterly reports of their progress and cooperative efforts in the work to the Chairman of the Credentials Committee, who in return shall report to the Executive Committee quarterly.

PURPOSE

ARTICLE IV. The prime purpose of the Association shall be to counsel together for the enlargement and strengthening of God's Kingdom and promoting unity and growth among the churches composing it, and by cooperating with the Baptist State Convention of North Carolina and the Southern Baptist Convention and their agencies in the work of Missions, Christian Education, and Social Service, and the means of accomplishing the purpose of this Association shall be in strict conformity with the New Testament.

Messengers present from fifty percent (50%) of the churches shall constitute a quorum.

ARTICLE XVI. The rules of this body shall follow Robert's Rules of Order, Revised.

I. Sunday School: J. J. Hawes, Superintendent of Training, for Harold M. Williams, Associational Sunday School Superintendent.

(1) All churches should make plans to conduct the January Bible Study Course.

(2) One highly successful plan is to conduct classes Monday and Wednesday nights for two weeks and the concluding class period on the third Wednesday night. Also, it should be easier to schedule the study course with only six hours now required.

(3) A check of the churches present indicates the majority were including the course in their plans.

II. Training Union: Alfred Willetts, Mill Creek Church, for J. Tyler Potter, Associational Training Union Director.

(1) The Associational Training Union Tournament was discussed with all in agreement that it should be held this year. Plans were held in abeyance due to the absence of the associational director.

(2) Sam J. Corbett, Sr., Associational Brotherhood Director, commented on the Brotherhood workshop scheduled for January 25-26, 7:30 P. M., at Elah Church. Due to the lack of interest in past workshops, he is hesitant to notify state Brotherhood workers to be on hand for this workshop. To be able to make this decision he requested each person present to go back to their church, poll the men, and notify him by January 20, of the number of men making plans to attend the workshop.

III. Missions Committee: A. R. Waisner, Chairman

(1) Report of the Missions Committee. For two years, at least, the State Convention has been working with the Associational Missionary and the Missions Committee concerning the Calabash Mission. The convention was paying a mere gas allowance for the man serving the mission. The convention wanted to put more money in this area but could not do so until the leadership there was upgraded.

The Committee had several meetings concerning this situation, some of them with the pastor, Mr. Herbert Branch. Last summer, Mr. Branch offered to resign if the missions committee felt it was for the betterment of the mission.

After many months of prayer, meetings, and some visits to the mission by members of the committee, another meeting was held with Mr. Branch, Dec. 17, 1967, at which time he resigned to the Missions Committee and stated that he would notify the mission the following Sunday, which he did. His services ended on Dec. 31, 1967.

At the suggestion of the missions department of the state convention, the missions committee is recommending a minister who can put most of his time in the area, working with the people of the Calabash community. The missions department had agreed to recommend to the general board that the full amount of $100.00 per month be allotted for this mission, providing a qualified person can work most of the time in the area.

The missions committee unanimously recommends that Earl Caldwell, of Windy Hill Beach, S. C., assume the duties as the pastor of this mission. Earl Caldwell was asked by the missions committee to serve the mission until the executive committee made some decision in the matter. He is now serving and has agreed to continue serving the Calabash Mission if the executive committee so desires.

Respectfully submitted, A. R. Waisner, Chairman, Jesse Bentley, Jackie Cooper, John W. Butler, John White

2. A motion was made to accept the report as read, carried.

3. A rather lengthly discussion of the past work at the Calabash Mission. it's present progress, and the future advancement of the work followed.

4. Next in order, the motion to accept the recommendation of the missions committee, with a second, carried by a majority vote.

5. A. R. Waisner made a motion to send a letter of thanks to Mr. Herbert Branch for his work at the mission, motion carried.

4. Budget and Finance: Miss Ruth Galloway, Associational Treasurer.

I. A total of 24 churches have contrib .ted during the first quarter. The general fund now totals $659.20, plus the minute fund.

II. The moderator then pointed out that the association operated in the black all of last year. This is wonderful and I hope it will continue the same way for the current year.

5. Planning and Promotion: Mark Owens, pastor of Calvary Church, for the Associational Missionary.

(1) Remember the January Bible Study Course - bible study is important to a Christian. Plan to hold your study course regardless of the time of year selected.

(2) Baptist Men's Day - January 28. This is for all churches.

(3) Soul-Winning Commitment Day - January 14. Our peoples responsibility to the lost is evident here.

7. At the close of the committee reports, the moderator asked for announcements from the floor.

8. R. B. Bennett, Beulah Church executive Committee member, noted that Beulah Church needs the assurance that it's church field will be kept intact.

9. A. R. Waisner, chairman, missions committee, this fact must be remembered, without fail, by all who are associated with the Calabash mission.

10. A motion was made to adjourn. The meeting was closed with prayer by Mark Owens, pastor of Calvary Church.

REPORTS

AMERICAN BIBLE SOCIETY

The American Bible Society is doing a wonderful work in this sin-weary world. There has always been a shortage of the Scriptures. It is hard to believe that seven out of eight Christians do not own a New Testament; 50% of all Christian families do not have Bibles; and more than 2 1/2 billions of the 3 billions of people in the world are without any portion of the written Word of God.

The American Bible Society has existed for 150 years for the sole purpose of preparing and supplying Scriptures to all mankind in a language he can understand. It is presented without note or comment and without profit. The American Bible Society has reached millions of people in this world. At least one book of the Bible has been published in 1326 different languages and dialects to date, but there are more than 1000 languages to go.

Our North Carolina Baptist churches contributed $7,614.25 to the American Bible Society in designated gifts through the Convention office last year. We are being urged by the Society to make our gifts in this way in order that more accurate records may be kept for our information.

The American Bible Society because of these gifts and other contributions, continue to minister through institutions, the armed forces, hospitals, prisons, schools etc. Not long ago a request brought more than 2600 North Carolina residents of several institutions copies of the Scriptures from American Bible Society grants.

The American Bible Society depends entirely upon concerned churches and individuals who have the vision to feed men's souls.

The world will not wait and it need not wait, as long as dedicated Christians continue to manifest their concern for God's Word by their increased support of the translations, publication and distribution of His Word.

May each church in the Brunswick Association be led to make a substantial offering to this cause. You may send gifts to our State Convention Office marked for the American Bible Society.

Respectfully submitted, Miss Annie May Woodside, Rep.

ANNUITY REPORT

IMPORTANT DATE FOR ALL NEW MEMBERS IN PLAN "A" - The three-plan Southern Baptist Protection Program has one provision in Plan "A" that will affect all prospective new members soon; this provision is called "Delayed Participation," commonly grown as a "grace period." The grace period provision will become effective on January 1, 1969. The provision states that the grace date is established in one of three ways: (1) as of January 1, 1969; (2) on the member's 26th birthday; or (3) one year from the date he first becomes eligible, whichever is the latter. This simply means that if a member joins Plan "A" of the Protection Program later than his grace date, the disability, widow, child, education and dependent parent benefits will be proportionally reduced. The reduction will be the ratio which such years of delay bear to the total years from the grace date to the normal retirement date. Therefore, it is important that all who are now eligible join the Program before January 1, 1969.

Response to the new Program has been good. During 1967, 3,146 members joined some part of the three-plan Program. The plans in the Protection Program are: Plan "A", formerly called the Southern Baptist Protection Plan, and the plan in which benefits were increased and new ones added; Plan "B", the Age Security Plan; and Plan "C", the Variable Benefit Plan.

Information about the Protection Program, including the "grace period" provision, may be obtained from the annuity secretary in your state at the Baptist Building, or from the Development Division, Annuity Board, SBC, 511 North Akard Building, Dallas, Texas 75201.

REPORT FOR 1967 - As of December 31, 1967, 1,202 new members had been issued certificates in Plan "A" of the Protection Program. A total number of 17,400 churches were providing the Program for their ministers.

Of the 174 agencies in the state conventions and the Southern Baptist Convention, 145 were providing the Program. The total number of employes covered in the agency programs was 7,140.

Rev. Guy Cain promotes the Protection Program in North Carolina. He is jointly employed by the Annuity Board and North Carolina Baptist Convention. For information about any of the plans in the Protection Program contact Rev. Guy Cain, 310 Hillsborough Street, Raleigh, North Carolina, or write the Annuity Board, SBC, 511 North Akard Building, Dallas, Texas 75201.

REPORT OF ASSOCIATIONAL MISSIONARY

Another year has quickly passed by and we are now assembled to fellowship, hear reports, and catch up on what has been accomplished during the past twelve months.

Since you will be hearing from all departments in our Association and learn from reports and representatives from various Convention Agencies in our state, I will not spend time in detail concerning any of these.

Sometimes we wonder how much these reports accomplish, yet they are necessary to inform us and challenge us for the year ahead, for an isolated non-cooperating church, or Association, is, or will become, spiritually dead.

As I reported last year there is always that inner-searching of my own soul for the right "feeling" in all I undertake to do. There has to be a complete satisfaction within everyone who serves in a full-time capacity for our Lord, else his work is in vain. I have never wanted to have a part in anything connected with our Lord's work unless I felt I was completely in His will. My convictions are even stronger today than ever before, concerning this matter. At the risk of sounding over pestimistic I have to say that from my observation there is a fast growing cancer of the soul in the churches

throughout the land, and it is eating away this inner peace, this strong compassion, this "feeling" of doing what is best for Christ. It is becoming harder and harder to find the spiritual atmosphere needed to feed the Christian and convict the lost. I fear we have adopted a type of "church-anith" instead of practicing Christianity.

We organize, we promote, we meet, we report statistics, we compete with one another in material things, especially in numbers and facilities in our churches, and there is left that emptyness, that void, that lack of concern and compassion. I speak not of our churches alone but throughout the land, both in the churches themselves and the individuals that make up the church.

Throughout this year our theme for the Association, as shown on the program you hold, is "CHRIST, THE ONLY HOPE". Oh, how I long for the return of the power of God, the presence of the Holy Spirit in our services. Let me urge you to join me in prayer for the "CRUSADE OF THE AMERICAS", with the expectation that all of us will be awakened spiritually. Truely, CHRIST IS THE ONLY HOPE!

As for reports and accomplishments we have made great strides in our Association. There is much we can report. I feel sure God is pleased at these accomplishments, but how much more pleased He would be if we would grow in Spirit as much as we do in all the organizations and statistics.

On our Associational level our organizations are all firmly organized and fully staffed. Meetings are held and plans are made. "M" Night, "Action" Night, Youth Night, V. B. S. Clinics, all has been done that could be done to promote these through the Associational office. We have had Brotherhood workshop, Evangelistic Clinic, Deacons School, School of Music, just to mention a part of the activities of the year. We have had good attendance in all these meetings. More interest is being shown in the Associational work in every way. The finances have been the highest in the history of the Association, completing the year without being in the "red" at anytime, and at the same time we have added more equipment to the office, all we need, with the exception of a folding machine, which we hope will be added this year.

A complete financial statement has been mailed to about 500 families in our county every month, showing all receipts and expenditures. A quarterly report has been given to the members of the Executive Committee everytime they have met. An annual financial report will be given to each of you this afternoon, along with the proposed budget for the new year, showing the receipts and expenditures for the entire year, along with a report showing each church and its quarterly and total gifts for the year.

Your Missionary has been in every church this year, preaching in most of them. Although we had sixteen churches without pastors at one time we now have only five pastorless churches, and two of these have interim pastors.

Total contributions from our churches is up in all causes, both at home and for world wide causes, over 1967. Several of our churches are now in building programs.

To save you from further boring statistics concerning other activities I have engaged in let me simply say I have driven more miles in the work than ever before, mailed our newsletters every month to more people, preached at least twice each week, promoted all meetings through the office to the best of my ability and attended at least twenty-five meetings outside the Association for training, planning, information and inspiration. The individual conferences, and committee and group meetings are too numerous to mention. (A report of all these activities has been made to the Chairman of the Missions Committee every month and to the Division of Missions in Raleigh).

I believe our Association is now on a firm foundation, well organized, and at least average to associations in other parts of the state, at least in most things.

Although we feel we have accomplished much this is not a time to slow down, but a time to push forward for higher goals in every phase of our work,

especially in our local churches that they may be stronger in the Faith and programs, which will help them reach out to the ends of the earth. We still see much that needs to be done, and we pray that it will become a reality in the future.

Our Association is organized on the same basis of the State Convention work. Together we can do much toward up-building the Kingdom of God in Brunswick County, spiritually and in every other way.

Much of our accomplishments have been possible because of the good cooperation with the Mission Division in our State Convention. We are truly in debt to them for the cooperation they have given.

Let me urge you to take an even greater interest in the Associational work; support it with your prayers your gifts and your service.

In conclusion, let me say it has been a joy to serve you this year as your Missionary. You have been most cooperative, kind, and have shown complete trust in me in the work, without too many demands; I only wish I could have accepted every invitation extended to me to serve. I ask for your prayers as I continue to pray for each of you in the future.

Respectfully submitted, Henry L. Register, Missionary

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

The past year in your Baptist Homes for the Aging has been one of the most eventful in the history of the Homes. Of primary significance was the opening of the Yanceyville Home on November 1, 1967, and dedicatory services on April 25, 1968, with Governon Dan K. Moore as the principal speaker.

When the Yanceyville Home, accommodating 31 residents, is filled to capacity, the number living in all of our Homes will reach 200. Residents at Yanceyville, Resthaven, the Albemarle Home, the Hayes Home, the Hamilton Home, and the Infirmary constitute a large and ever-growing family of elderly people who receive compassionate and tender care.

The waiting list for admission to one of our five Homes continues to grow, but has been revised and is a bit more realistic than ever before. The opening of the Yanceyville Home has relieved the pressure greatly on this waiting list, and persons are encouraged to make application from the various sections of our great state.

Baptists of North Carolina can be grateful for their record in ministering to the residents in their five Homes for the Aging. Recent reports reveal that our Baptist Homes for the Aging are giving more financial assistance to their needy aging than any other denominational Home in North Carolina. About 85% of the residents ministered unto receive assistance through the love gifts of North Carolina Baptists. These love gifts from our Baptist churches come from two main sources: (1) The Special Day Offering, received on the 3rd Sunday of February each year, from which the Homes derive 22 1/2% of their total support; (2) The Cooperative Program from which we receive 12 1/2% of total income. Gifts for 1967 through these two sources were at an all time high and amounted to around $200,000.00. The 1968 Special Day Offering, at this time, is reflecting an encouraging increase. Unless these two vital sources of income are increased considerably, your Baptist Homes cannot be maintained, either on the basis of quality of care, or quantity.

More than in any previous years the ministry of the Homes has been extended beyond the day to day care of the residents to our local churches and

communities. Experiences have been shared in more than one Association, in World Missions Conferences, Family Life Conferences, High School classes in Family Living, etc.

Life among the residents in the Homes is most interesting, and if one wonders about activity among those whose average age is 80, let him come and see. Let everyone who is contributing to this great area of human need be grateful to the Lord to be a part of a great denomination that has had the vision to plan for the aging, and is moving forward in meeting the needs of this very deserving group.

THE BAPTIST HOSPITAL

We Baptists who are here today realize and know that the Southern Baptist Convention has a wonderful program. We are conscious, also, of the fact that North Carolina Baptists contribute much to the whole program. We have much to be thankful for in the institutions in our state. One of the most outstanding and helpful institutions in the state is our Baptist Hospital located in Winston-Salem, N. C. This is the place we think of and move toward in times of serious illness, when things look grim, where the best medical and technical services with the most modern facilities are available to give us a helping hand.

There is much that can be said about the Baptist Hospital, its origin and growth, and the services it has rendered over a period of many years to the young, the old, the rich and the poor. We are thankful for a number of wealthy people who have contributed of their means to help make such an institution possible here within our state.

It takes a lot of money to operate this institution of service of ours. We know that the service department is not self-sustaining. It cannot be so when so many persons who have been receiving medical treatment there could not, or did not pay any or all of their bill. In the past the Mother's Day offerings from our churches have been used as a bridge to some extent, for these accounts. The Mother's Day offering from the Brunswick Association this year was $1,061.28. With increased operating expenses and an increase in population without a proportionate increase in Mothers' Day offering funds, our hospital has had to announce that provision must be made at the time of admission of a patient for payment for services. This policy has been adopted by the Trustees after they have struggled for three years to continue much free service.

The hospital will still accept charity patients but not beyond the funds provided for this purpose.

BROTHERHOOD

I regret to have to report that only nine of our churches have Brotherhood organizations in the Association. They are: Antioch, Beulah, Calvary, Elah, Farmer's Chapel, Leland, Peace Memorial, Southport, and Supply.

This is the report shown last year in the 1967 Minutes. Other churches may have been organizing Brotherhoods since the report was given.

Perhaps the most important thing we have to report this year is the Brotherhood Workshop held at the Elah Baptist Church last January 24 and 25. We had about fifty in attendance, including several R.A.'s. Three groups were taught in this workshop by Rev. Edwin Bullock, Rev. Bill Ross, and Rev. Bill Furr. We feel it was a successful meeting, especially since it was one of the nights when we were receiving ice and snow. We hope other churches have plans to organize a Brotherhood in their churches and I stand ready to assist in any way possible.

We regret the loss of our Associational Brotherhood Director, Mr. Sam Corbett, who passed away during the year. His interest in the Brotherhood was strong and he will be missed always in our Association.

Respectfully submitted. Sidney Britt, Director

CHILDREN'S HOMES OF NORTH CAROLINA, INC.

North Carolina Baptists and other friends of the Children's Homes are making possible a Christian way of life for hundreds of boys and girls who otherwise would be denied many of life's best opportunities. More than 1300 children were assisted in some type of service during the past year.

All associated with the Children's Homes are deeply grateful for every type of support. Co-operative Program income through the churches is increasingly important. Last year's Thanksgiving offering is the largest ever-now approaching $325,000. Special gifts, bequests through wills and estate planning provide much needed income and wonderful opportunities to invest in the lives of children and young people.

Encouraging progress is being made in the capital funds campaign to build a home for children in Western North Carolina to be located in Haywood County between Waynesville and Clyde. It is hoped that construction can begin in early 1969. The Western Home, in addition to providing group care, will strengthen all types of services now being provided children and their families in the Western area.

Four family style cottages have been constructed and dedicated during the past year - two at Mills Home and two at Kennedy Home. Two additional cottages will be constructed at Mills Home during the coming year. Funds for these buildings have come from bequests through estate planning by friends of neglected and dependent children.

The number of good Christian homes for the care of foster children is growing. More are needed in all sections of the state. Foster homes serve children of all ages and are particularly helpful for some who have special needs. Couples with or without children of their own, who have an abundance of love, find this to be a challenging and rewarding opportunity for Christian service.

Members of the Board of Trustees and members of the staff of the Homes are dedicated to a program of child care that will merit the undivided loyalty and support of our people and that will be worthy the blessings of our Lord. We covenant with you to face the future as we have the past: to offer Christian nurture to children in distress in the name of Christ our Savior and Lord.

CHRISTIAN EDUCATION

Education is not just an accumulation of facts by an individual through the years as he seeks to acquire learning. It is more. Education is the moulding of these facts into sound principles that will benefit all mankind as well as the individual. We ask a question, is there anything that will benefit mankind if it is not centered abound Jesus Christ? Is anything that doesn't benefit man ultimately, of any real significance? This is why I agree with the writer of an article in the August 30, 1968 issue of Christianity Today page 3. The following is the quote:

> "Christian education is the importation of a point of view that puts Christ at the vital integrative center, that insists it is with Him as Alpha and Omega that all human history and knowledge is to be comprehended. Christian education is indoctrination. It is a deliberate attempt to cultivate the conviction that it is not only proper and legitimate but also vitally ncessary to see all things from the vantage point of the cross."

I believe that our major concern, as Baptist in the acceptance of Federal Funds, is that Christ centeredness may be eventually dispelled from our colleges. What is the answer? We, as professed Christians, must recognize our stewardship responsibility and work together to keep our colleges Christian. We can increase our giving through the Cooperative Program and through our special offerings.

The purpose of Christian education according to James Kallas is to show that Christ is the center of all learning and pervades every moment of life, giving answer to man's cry for meaning.

Here is an enlightening note, "Our Christian College Campus is emerging once again as a great moral and ethical force in American culture. Our church-related colleges have taken the lead in restoring discipline and moral and ethical responsibility on the college campus." May God through Christ lead us as churches to increase our support to our Christian Colleges and University.

In 1967 we had 12,024 enrolled in our six colleges and one University in our state. If we rear our children in a Christian home I feel sure we want to send them to Christian Colleges. May our colleges always remain Christian even if the world takes a different trend.

CHURCH LIBRARY

At the beginning of each new church year, there is a renewed emphasis in our churches on leadership. All church leaders, whether serving in some new capacity or whether serving where they have served before, should work together in the common task of reaching the lost and helping Christians grow during the year. But a leader cannot lead if he does not know the way himself. All church leaders, new or experienced, need to be informed or reminded that the church library is a partner in their responsibilities.

Many of our best leaders today give vivid testimony concerning the importance of reading as applied to the work they do. Books and other printed materials are their tools. Books have been known to completely change a person's entire outlook, to bring contentment and adjustment to daily life. Books, too, have been responsible in many lives for spiritual discovery, for commitment and dedication to a cause. Would we then deny the leaders and members of our churches in the Brunswick Association these resources for their development?

In my report to you last year I gave a challenge to the churches: That we organize libraries in at least three of our churches during the year. Up until this time I have not heard of a new library in the Association. In the 1967 minutes, Farmer's Chapel, Friendship, Soldier Bay and Southport report having church libraries. There may be others, if so, I would like to know about these today, if possible. Bethel is now in the process of getting its library started. A room has been set aside for this and shelves constructed. A number of books have been collected and a Director of Library Services has been elected by the church. This, of course, is the first step to be taken. The actual processing of the books and other materials will begin very shortly.

I hope that before I leave today others of you will tell me that you have taken similar steps or that you are interested in getting a library started in your church. Our Baptist Book Store now has for sale for less than $3.00, a series of twelve lessons that are easily mastered on church library planning and development. These lessons are known as the Church Library Development Plan. With these lessons, an interested and dedicated person can learn to set up a church library.

I can never say enough about the potential of a church library as a resource center for all of the activities of a church. A dedicated Christian who is willing to spend time and effort in learning to serve the Master through a church library can be of invaluable help to the leaders of the church and can minister effectively to many people. Do you know of such a person in your church? Are you that person?

CREDENTIALS COMMITTEE

The Credentials Committee having met and considered the applications for membership in the Association, submits a report.

(1) Sunset Harbor Baptist Church appears to be organized and functioning; therefore, we recommend that the church be taken in under the watchcare of the Association for one year, as provided for in the Constitution. We further recommend that the church be instructed to make the required reports to the Executive Committee during the period of watchcare.

(2) Application was made by Woodburn Baptist Church to come under the watchcare of the Association, leading toward ultimate membership. No one appeared in behalf of the church and therefore the committee was without sufficient information to act. We recommend that this matter be dealt with by the Executive Committee in the course of the new church year and fully advise the new Credentials Committee for appropriate action by the Association when it meets again.

(3) Oak Island Baptist Church has been under the watchcare of the Association for one year. It has not made any of the required reports to the Credentials Committee or the Executive Committee, as provided for in the Constitution. The Chairman of your Credentials Committee is a member of the mother church and knows of his own knowledge that the church has functioned as a Missionary Baptist Church and has been a participating church in the programs of the Association and the Baptist State Convention. A member of the Board of Deacons from the mother church is leading this church until it is successful in obtaining a pastor. The last pastor resigned to become a foreign missionary. Accordingly, your Credentials Committee recommends that the Association waive the technicalities of the Constitution and accept this church into the full fellowship of the Association.

(4) Boiling Spring Lakes Baptist Church has been under the watchcare of the Association for one year. It has not made any of the required reports to the Credentials Committee or the Executive Committee, as provided for in the Constitution. A member of the Credentials Committee, namely, Brother Tom Williams, is pastor of this church and knows of his own knowledge that the church has functioned as a Missionary Baptist Church and has been a participating Church in the programs of the Association and the Baptist State Convention. Accordingly, your Credentials Committee recommends that the Association waive the technicalities of the Constitution and accept this church into the full fellowship of the Association.

EVANGELISM

The first great responsibility of Baptists today is to proclaim the message of the Gospel clearly, plainly and under the empowering of the Holy Spirit. The second is to see that the new life and purpose of God found in Christ is in the foreground of all our motives, attitudes and actions in personal cultural and organizational life and that this involves us in helping meet the needs of all people. To express the same things another way is to say evangelism is our first great responsibility and the second is to follow our Lord Jesus Christ obediently, as taught in the Scriptures, that the true fruits of evangelism may issue from our total lives. Therefore, it must be of utmost concern to every Spirit-filled Baptist to know there is a reliable source of divine knowledge found in the Bible to preach the Gospel of Christ one must know what the Gospel is, and this God has revealed and written for us in the Bible.

To move with God this year and next in the Crusade of the Americas means that we must be diligent in searching the Scriptures and proclaiming the glorious Gospel of Christ revealed therein; and that we must walk daily with

God in the fellowship of prayer. Leaders in the churches must make sure these two most vital matters are constantly practiced in their lives and that these matters are always kept before the people in the churches. This done faithfully and sincerely day by day across the weeks and months will bring individuals and churches into vital relationship with God.

It is urgently important that every church be confronted with the opportunity and responsibility of participating with other Baptists across the Western hemisphere in prayerful concern for a spiritual awakening to be experienced in the simultaneous revival meetings next spring. Messengers of this association are therefore urged to see that every church rightly faces this challenge. For details on the Crusade consult the GUIDEBOOK FOR BAPTISTS OF NORTH CAROLINA which has been mailed to all pastors, Sunday School superintendents, Training Union Directors, WMU presidents, and Brotherhood presidents.

In our association the following churches have voted to participate in the Crusade: Boone's Neck, Calvary, Elah, Gospel Center, Leland, Old Shallotte, Peace Memorial, Sabbath Home, Shallotte First, Southport, and Supply.

We hope may others will follow.

As soon as a church votes to participate, the Associational Chairman of Evangelism should be notified.

Respectfully submitted, D. J. Thomas, Chairman

HISTORIAN'S REPORT

The Historical Tables of the Brunswick Association begin with the year 1889 and show the Association as meeting at Shallotte, the Moderator as J. A. Mintz, the Clerk as Isaac Jenrette, and D. L. Hewett as preaching the annual sermon. Then there is a break in the record and the next meeting date is shown as 1900 with the same Moderator and Clerk. I do not know if the Association did not meet during the intervening 11 years or if the records could not be found.

John Butler has been working to assemble a complete set of minutes of the Association. He now has minutes dating back in the early forties with a few breaks. He would like very much to secure copies of earlier minutes if possible. He would appreciate any information you might have concerning where copies of these might be located.

Thirteen or more of our churches were organized before 1889. I am very much interested in securing copies of the histories and minutes of these churches. Perhaps some of these would enlighten us about the early days of the Association.

Also, as Historian of the Association, I would like to have a copy of the history of each church in the Association, whether newly organized or one of the older churches. If your church does not now have a written history it would be a most worthwhile project for some interested person in your church to do just that.

Much hlep along this line can be obtained by writing to the Historical Commission of the Southern Baptist Convention in Nashville. These histories should be written now before any more information is lost or destroyed. Our young people need to know their heritage of Baptist beginnings in the Brunswick Association and in their local churches. As Lord Thomas Macaulay, the outstanding British statesman and essayist once said, "A people that takes no pride in the noble achievements of their ancestors will ever achieve anything to be remembered with pride by their posterity". The idea expressed here can be applied to our churches in this respect.

If you are willing to gather the information needed, but feel that you cannot undertake the actual writing, then both John Butler and I will be glad to help you on this or find someone to help you in this worthwhile project.

Respectfully submitted, Susie S. Carson, Historian

INTERRACIAL COOPERATION

"Fresh winds are blowing and new excitement is in the air!" These words from W.C. Fields' Trumpets In Dixie express the outlook of the work of the Department of Interracial Cooperation as 1968 draws to a close. Aiding tremendously in the work with National Baptists throughout North Carolina has been the "Statement Concerning the Crisis in Our Nation," adopted by the Southern Baptist Convention on June 5, 1968. Also, the literature, "We hold These Truths," has opened many avenues for discussion groups to confront the problems of human relations within their churches and communities.

Thirteen small scholarships were provided this year for ministerial students at Shaw University, North Carolina College, A. & T. University, and Southeastern Seminary. Three new Week Day programs were held during the summer in churches located in Asheville and Brevard. An increasing number of seminars, youth retreats, institutes, discussion groups, etc., are being held in churches and associations with the goal of finding ways to initiate or increase a program of work with National Baptists.

Looking toward 1969, the annual statewide conference on evangelism meeting in Greensboro in January will be jointly sponsored by the two Baptist State Conventions. Also in keeping with the Crusade of the Americas the Baptist Men and Boys annual convention for the first time next year will be jointly sponsored by the Brotherhood Department of the Baptist State Convention and the Layman's League of the General Baptist State Convention. This meeting is scheduled in Winston-Salem, March 28-29.

The department has been actively engaged with these and numerous other plans to promote an ever strengthening program of work with National Baptists.

INTERRACIAL DEPARTMENT WORK IN THE BRUNSWICK ASSOCIATION: Our year began with a trip, to Wingate College, with a team of Negro leaders, for training in Vacation Bible School work. A clinic was held at Cedar Grove Church. The last week in January, I worked in the institute held at Longwood. A course of study, "Young People In Missions", was taught. The enrollment in this class was 80, with an average attendance of 68.

I worked in four Vacation Bible Schools this summer, not as many as I would have liked for I was handicapped by reasons of health and other obligations.

Pray with us, that, we may be able to do more in the coming year. May we be found wondering not what the world is coming to, but telling what has come to the world, The Lord Jesus Christ.

Respectfully submitted, Mrs. Dewey Robbins, Representative

MISSIONS COMMITTEE

The Missions Committee met in all its regular meetings with the Executive Committee, plus several called meetings.

On December 17, 1967, the committee met at the Associational Missionarys office with Mr. Herbert Branch, who then was pastor of the Calasbah Mission. At this time Mr. Branch indicated his desire to resign from the mission, which he did, but served until the end of December.

The committee contacted the Rev. Earl Caldwell, who had retired at the time, and discussed the possibility of his assuming the duties as pastor of the Calabash Mission. He agreed to serve as interim pastor until a decision was made by the executive committee.

At the Executive Committee meeting of January 8, 1968, the Mission Committee recommended that the Rev. Earl Caldwell assume the pastorate of the mission, motion was made and seconded and the motion carried.

The Missions Committee immediately met with the pastor and four members of the Mission to draw up a budget for the year 1968 as follows:

BUDGET FOR CALABASH MISSION:

Pastor's Salary	$780.00	Literature	$ 80.00
Conv. Aid-Pastor's salary	1,188.00	Supplies	50.00
	$1,968.00	Cooperative Program	25.00
Electricity	50.00	Assoc. Missions	25.00
Fuel	50.00	Miscellaneous	240.00
		Total Budget	$2,488.00

This budget has been exceeded in many areas.

The mission reports an average attendance of 40 in Sunday School. There has been 18 new members added to the mission - 14 by Baptism, and four by letter.

A Vacation Bible School was held with an average attendance of 42.

A Mother's Day offering of $20.00 was sent to the Baptist Hospital.

Another phase of our mission activities has been Resort Missions. With the aid of the Baptist State Convention in Raleigh, we erected a large screen 8 feet by 12 feet, 16 feet high, 200 feet out in the ocean, at Ocean Isle Beach.

The film used was "The God of Creation". It was shown Tuesday and Thursday evenings, weather and tide permitting. This was a very successful ministry with as many as 118 persons attending a single showing.

It was our aim to provide the same type ministry at Holden Beach, but permission was not granted to erect a power pole at the chosen site. However, we are hopeful that this can be accomplished by the summer of 1969.

Respectfully submitted, A.R.Waisner, Chairman;
John White, Jesse Bentley, John W.Butler

MUSIC MINISTRY

Jackie Cooper, Associational Music Director, lead our work this past year but was called to his new field of missionary work before he could give a report to you.

Our work has been in the planning of the music for the associational meetings and the conducting of a school of music.

The School of Music was held at Antioch Church with wonderful cooperation from the churches. We wish to express our thanks to the teachers and pianist for their work and to you for attending.

Dennis R.Hewett will be leading the music work for the next year, so, if you need help in any way, call on your music workers. We will seek to help you where ever and how ever possible.

Great revivals have come with great music, so, let's not forget to plan the music well for the Crusade of Americas - 1969 revivals next spring.

Respectfully submitted, Mrs.Jim Williams, Organist

NORTH CAROLINA BAPTIST ASSEMBLIES

It is with great pride and admiration that I report to you that the North Carolina Baptist Assemblies are "Progressing Forward". Our Assembly here at Southport reports that 8,987 persons availed themselves of the facilities and training that are offered there. World Mission Week had the largest number in attendance with 1,009 and Church Music Conferences came second with 975. The total present for Conference weeks was 6,378; Pre-Season 1,441; Commuting One-Day Guests 143; Post Season 1,025; making a grand total of 8,987.

The new Auditorium and Swimming Pool are completed and have been in use during the past season.

Only 10 people from Brunswick County attended the Assembly this past year. We are letting such wonderful Christian Training and Fellowship slip away from us when all it would take is a little of our time and effort.

Much thankfulness goes to Mr. Fred Smith for the wonderful job that he is doing as our Superintendent of "The Assembly by the Sea."

Our other North Carolina Baptist Assembly is Fruitland at Hendersonville, N.C.

Respectfully submitted, Mrs. Ann L. Price, Representative

NORTH CAROLINA BAPTIST FOUNDATION

During the past year, The North Carolina Baptist Foundation, Inc. has made regular and systematic progress. More and more of our Baptist people are inquiring about the services of the Foundation and are following these inquiries with concrete evidence of their concern. Some have made direct monetary contributions through the Foundation for a particular agency or institution. Others, with the help of their lawyers, have made provisions in their wills that through the Foundation, Christian causes have been remembered.

One of our major emphases has been in the area of will making. Our pastors, associational superintendents, and our church representatives have given encouraging help in this educational campaign. The response in each instance, whether in an association or individual church, has been most gratifying.

We solicit your prayers and your continuing cooperation. The Foundation remains ready to assist you in any phase of our endeavors. Please call on us if we can be of assistance to you.

Respectfully submitted, William Deitz, Representative

ORDAINING COUNCIL

J.D. Hewett, member of Longwood Church, felt the call of the Lord in the work of the gospel ministry. Called as the pastor of Friendship Church, the church asked Longwood Church to request the Ordaining Council, that he be examined relative to his qualifications as a minister of the gospel.

The Ordaining Council met at Supply Church, February 19, 1968, and after a very satisfactory examination, the council recommended the ordaination of J.D. Hewett.

Our brother, J.D. Hewett, was ordained and set apart to the work of the gospel ministry, with appropriate religious services, prayer, and the laying on of the hands at Longwood Church, March 3, 1968, 3:00 p.m.

Dewey Robbins, licensed by Lebanon Church and having felt the call to full time service in the gospel ministry, has answered the call to Pineview Baptist Church, Wilmington Association.

Pineview Church, having requested Lebanon Church to call for the examination of Dewey Robbins by the Brunswick Association Ordaining Council; the council met at Supply Church, September 9, 1968.

Upon all points he gave answers satisfactory to the examining council. At the conclusion of the examination the council voted unanimously that he be recommended for ordaination.

Ordaination of Dewey Robbins was held October 6, 1968, 3:00 p.m., with A.R. Waisner giving the charge.

Respectfully submitted, Sidney Britt, Chairman
Tom H. Williams, Secretary

PLACE AND PREACHER

The committee to recommend places and preachers for the 1969 sessions of the Brunswick Baptist Association met October 21, 1968, at the office of the Associational Missionary. At that time it was decided to accept the invitations of Sabbath Home Church for the first day and that of Peach Memorial Church for the second day.

The following are recommended for the messages: Raymond Whitfield, first day; George Kell, alternate; D.G. Thomas, second day; Albert S. Lamm, alternate.

The committee wishes to acknowledge and express appreciation for the invitation received from Calvary Church and also one received at a later date from Friendship Church. If these churches would like to be considered for the 1970 sessions of the association it is suggested that their wishes be made known to the committee next year.

RELIGIOUS LITERATURE

The mind of man reaches out after that which feeds it. When the mind is well fed it is healthy and fit, but when it is stuffed with filth it is sick and lacking. It has been said that half of the noble deeds have been inspired by good literature, and the other half by the influence of noble lives. Thus it behooves us all to give attention to the right kind of reading.

Much knowledge is gained through the printed page, and Southern Baptist are very fortunate in having several papers and magazines from which we can draw information and inspiration.

Published in our state are the "Biblical Recorder" and the "Charity and Children". The "Recorder" which is published by the N.C. Baptist State Convention, Raleigh, had its 135th birthday this past January, which indicates it is durable and hardy. The "Charity and Children" is published in Thomasville by the Baptist Children's Homes and has been the voice of child care for 81 years. Both of these papers are issued weekly.

The "Home Life" published monthly by the Sunday School Board of the S.B.C. in Nashville, Tennessee, is a Christian Family Magazine with well written articles about family living, family teaching, and the family worshipping. Every member of a family can find help and inspiration in this magazine.

We have two mission magazines. The "Commission" published monthly by the Foreign Mission Board of the S.B.C. in Richmond, Virginia, keeps us informed as to what we are doing in the countries around the world. And the "Home Missions" magazine is published monthly by the Home Mission Board of the S.B.C. in Atlanta, Ga. and keeps us informed as to our work in our own home land. If we read these two mission magazines our vision will be enlarged and our faith strengthened, thus causing us to pray more and give more whereby the cause of Christ can be extended to all the world.

Respectfully submitted, Tom H. Williams, Representative

RESOLUTIONS COMMITTEE

Your committee on Resolutions recommends that the association enter into the following expressions of appreciation:

1. That we express our sincere thanks and appreciation to the work of the officers of the association and to every member of every committee and to all people local and visiting, who have made this annual session a great one.
2. That we express our appreciation to our Moderator, D.G. Thomas, for his sincere interest in spending many long hours to make this a better association.
3. That we express our appreciation for our Associational Missionary, Henry L. Register, who has worked so diligently throughout the area of our association during the past year.
4. That we express our thanks to the Elah and Gospel Center Churches for their fine hospitality, the meals so excellently prepared and served and for all the kind things they did.

Respectfully submitted, Mrs. Ann L. Price, Chairman
Mrs. Gertrude Williams, Tom L. Ballard

SUNDAY SCHOOL REPORT

This year was a very good year for our association. On Action Night the speaker was the Rev. E. W. Pate. His message was to help us see how the Sunday School could help the church win the lost to Christ. At this meeting, there was a very good attendance of 234.

Our VACATION BIBLE SCHOOL in the association was very good, there were 34 churches reporting and with the help of Mrs. Elsie Robbins there were four Negro schools reporting. We would like to thank her for this. Lets all pray for our State Sunday School.

The loss of Dr. Claude White was a great loss.

I hope that each Sunday School in each individual church will do its part to help in the Crusade of the Americas next year.

Respectfully submitted, Harold M. Williams, Jr., Supt.

TRAINING UNION

The officers and Department Heads of your associational Training Union would like to take this opportunity to thank all of you for your help and co-operation this past year. We hope that you who were present for "M" Night and Youth Night, received a blessing. We thank you for your attendance.

We are proud to report that there was 295 in attendance for "M" Night with 14 churches represented.

Youth Night showed an increase of 28 over 1967 with 153 attending.

We would ask you to please support your Training Union and pray for your new director, Mr. John White, of Calvery Church, Shallotte, N.C. May the Holy Spirit lead, as we continue to try and lead our churches in a better training program.

Respectfully submitted, J. Tyler Potter, Sr., Director

WOMAN'S MISSIONARY UNION

One of my favorite months is October. The beauty of God's Creation is all around us. Another reason why I like October is that it affords a new beginning in our church work.. In a very real sense we are saying Happy New Year!

Every meeting of the W. M. U. Council has been an uplifting one. You have elected women who serve with sincerity and zeal. For this opportunity of Christian fellowship I give thanks.

We had our Pastor-Presidents Supper, our quarterly G. A. and Y. W. A. Meetings which were very encouraging. There were more Sunbeams at our Sunbeam Day Camp this year.

The State W. M. U. Meeting was in Asheville and as usual very inspirational. Speaking of meetings our own Annual Meeting was one of the best that we have had in several years. If some of our Pastors would have been with us and heard Rev. Herbert Baker and his Preacher Friend from Brazil they would have been spiritually revived.

During the years that I served as W. M. U. President we did advance in our work. There has been new organizations including churches which have not had any missionary work. When I mention we I mean the dedicated ladies that I have had the privilege of working with. We have also had interracial meetings with the help of Mrs. Elsie Robbins.

I would like to give thanks for each encouraging word and prayer that was offered for us in the past years. As our new W. M. U. Director begins her work this year, I pray that we will all work together to win others for Christ.

I believe that God through His Spirit is ready to direct our lives every day in such a way that one can really proclaim the message of His Gospel and be witnesses of His Love as we serve the Lord Christ in every area of our lives.

Respectfully submitted, Mrs. Catherine G. King, Rep.

SABBATH HOME BAPTIST CHURCH 1930 - 1969

Sabbath Home Baptist Church had its beginning as a Methodist Sunday School, in the year 1914. Two cousins, both by the name of Johny Fulford, being christians, desired a place to worship God. They shortly organized a Sunday School among their Methodist neighbors.

The Sunday School met in an old house, known as the "Bill House Kitchen", owned by Samuel Fulford, Sr. The next year as the men of the church labored to cut timber for a new building, a passer-by asked what was being built? Samuel Fulford, Sr., replied that it was a Sabbath Home - the name the church bears until today.

By 1930 the need for a pastor and a regular worship service was realized by the small group. At a meeting with eight persons present, a Baptist church was organized. Names of five of the group present are known: Mr. Johny Fulford, Sr., Mrs. Rebecca Fulford, Mr. Newman Fulford, Mrs. Edna Fulford and the Rev. Alford Clemmons.

Sabbath Home Missionary Baptist Church was constituted the fourth Sunday in March, 1930, and was received into the Brunswick Baptist Association at the 1933 annual session.

The church building, a frame structure of native pine was a belfry, was dedicated on March 4, 1937.

January, 1943, found the church with plans to construct a new building. This building program was completed in 1945. However, in 1956 the church decided to build anew. Today there stands completed a beautiful brick building, dedicated in 1965 for service in Christ's name. In 1968 a left wing for a primary building, costing approximately $14,000 dollars was added.

Sabbath Home Church has reported a Sunday School since 1933. Records show 80 church members in 1934. Today church membership totals 177, Sunday School 220.

The Rev. Alford Clemmons was called as the first pastor and served until his death in May, 1932. His son, Linzie Clemmons, was called to finish out the year. The first resident clergyman was the Rev. A. D. Harrelson, 1933-36.

Over the years, Sabbath Home Missionary Baptist Church has licensed four men and ordained two men as servants for the cause of Christ.

PEACE MEMORIAL BAPTIST CHURCH 1961 - 1969

On September 6, 1961, 29 christians met to organize a Missionary Baptist Church in a house that had been converted into a meeting place. The Rev. J. Earl Lanier was invited to moderate a business session held September 13, 1961. The church was organized and the church and Sunday school officers were elected at this meeting. The first Sunday School was held the following Sunday, September 17, 1961, with 39 persons enrolled. The same day a Training Union and a Woman's Missionary Society and Brotherhood with G. A. s and R. A. s were organized.

The name Peace Memorial Missionary Baptist Church was selected on October 1, 1961. The first pastor, J. Earl Lanier, was called to half time service. Mr. J. B. Potter was elected as our first deacon and the church constitution was adopted.

At the 1961 annual Brunswick Baptist Association session, we came under the watchcare of the association and were admitted into the Brunswick Baptist Association the next year (1962).

The church was able to acquire two acres of land as a building site. A gift of an additional one acre was to be the church cemetery.

Plans were drawn and construction began on the church building early in 1962. Worship was held in the new church building in October, 1962. The dedication ceremony was held November 18, 1962, with Mark Owens, Associational Moderator, the speaker.

Our first pastor, J. Earl Lanier, resigned in July 1962. From August 1, 1962-1965, Richard B. Williams ably served as pastor. The next two years saw Tom H. Williams leading the church. Since 1967 Sidney D. Britt, our present pastor, has continued in a half time ministry.

The membership now stands at 92. All organizations of the church are active. Plans are under development for the expansion of the present plant.

Faithful deacon, Edmond Simmons was the first of our Membership to be called Home from our midst, by God.

On June 9, 1963, at the request of the Calabash Baptist Mission, we ordained Hilton Willetts into the ministry and sent him forth with our prayers.

November 4, 1968 at Supply Baptist Church:

1. The executive committee of the Brunswick Baptist Association met in session at 7:30 p.m., A.R. Waisner, moderator, presiding.

(3) Statement from the chairman of the Missions Committee.

4. D.G. Thomas, mission committee member, presented the recommendation of the missions committee as follows:

Brunswick Baptist Association Executive Committee:

We, the Missions Committee of the Brunswick Baptist Association after much thought and prayer, unanimously recommend that the Rev. A.R. Waisner of Supply, N.C., be called as Associational Missionary for our association. We recommend that he assume his duties as stipulated in the associational constitution with the same financial arrangements as set forth in the 1968-1969 budget. We further recommend that he begin his duties the first of January, 1969.

We feel that Brother Waisner is our best choice because of his experience in pastoral work and Associational work. It was felt by the committee that someone from our own area would best be suited for this position because he would be familiar with the work now in progress. Further, we felt it was necessary to secure someone who was suited to the coastal area. Brother Waisner is well qualified for all of these positions and is familiar with all the churches in our association. This will make the transition much smoother from the present Missionary to the newly elected one without a period of vacancy in the position.

Brother Waisner has been approved through the Division of Missions in Raleigh. -- Rev. Jesse Bentley, Chairman; Rev. D.G. Thomas, Rev. Raymond Whitfield, Mr. J.J. Hawes, Mr. John Butler.

5. Motion that A.R. Waisner be employed as the missionary of the Brunswick Association made by D.G. Thomas, seconded, and passed by the unanimous vote of the executive committee.

6. A.R. Waisner spoke of his acceptance of the position as missionary and that with the help of the Lord and the prayers of the people the work would continue to move forward.

7. The motion to elevate Jesse Bentley, Vice-moderator, to Moderator was made by A.R. Waisner, seconded, and passed by the committee.

8. A motion was made to elect Albert S. Lamm, pastor of Southport Church, as Vice-moderator. Motion made by D.G. Thomas, seconded, and passed.

9. Applications for pastoral aid and church lot aid were called for by the moderator.

10. The Clerk read each application, which was moved and passed on separately by the committee, as follows:

(1)	Boiling Spring Lakes - Pastoral Aid	$1,200.00
(2)	Calabash Mission - Pastoral Aid	1,200.00
(3)	Oak Island - Pastoral Aid	1,200.00

   (2) Question was raised as to the cost of the minutes. The minutes cost .64¢ each and by charging $1.00 each the surplus money is used to help defray the cost of complementary copies to the various church organizations, libraries, etc. and the annual Calendar of Activities.

(3) George Kell, pastor of Antioch Church, made the point that pastors social security payments must be paid in the pastors name. The same holds true for the Missionary.

4. Missions - D. G. Thomas for Albert S. Lamm, chairman:
   (1) The acceptance of a supply fee from the churches by the Missionary was resolved in a meeting during the hiring of the present Missionary. The procedure as outlined in the previous letter to the churches will be followed.
   (2) The state convention is receptive to the establishment, at Caswell Assembly, of a pastors school similar to Fruitland in nature but not in scope. This aid would hinge upon the acceptance of the school not only by our association but by all the associations in this section of the state.

8. The moderator now called for any further business.
9. Mark Owens, pastor of Calvary Church - The matter of the supply fee being paid to the missionary keeps coming up. Some of the churches fear they are not free to utilize the missionary. Misunderstanding as to who gets the supply fee is hampering the work of the missionary. In all my contacts within other associations the supply fee, if any, is sent to and marked for the associational treasury.
10. D. G. Thomas, pastor of Leland Church - The financial terms under which the missionary was hired are shown in the associational budget. The total amount of money collected from the supply fee by the missionary amounts to very little over the year.
11. I would like to see the Missions Committee and the Missionary get together in complete agreement concerning the supply fee. Also, how often and for what length of time the missionary is expected to fill the pulpit in a church.
12. Tom H. Williams, pastor of Boiling Spring Lakes Church - In the 13 associations I have been in throughout the years, the missionary is called to do the work of the missionary and not to act as an interim pastor. However, any supply fee goes directly to the associational treasury.
13. Other business called for by the moderator.
14. Tom H. Williams - Jimmy Johnson, program chairman of the pastors conference, has Garland Hendricks on the program for the next pastors conference. Mr. Hendricks will be conducting the January Bible Study Course at Southport Church.
15. The moderator announced our missionary is absent tonight. However, he wants you to know that he is always available to minister to the needs of the churches within the association.
16. Vacation Bible School Clinic February 18th, 7:30 p. m., Supply Church-All Principles, Sunday School Superintendents and Pastors should attend. The principles package will cost $2.50 each.
17. D. G. Thomas, Associational Chairman of Evangelism - The Crusade of the Americas Day of Prayer, January 12th, during which 22 of our churches will take part.
18. This is also, Soul-Winning Commitment Day. Pledge cards are available for use on this day. The information obtained through the use of these cards will be a great help to your pastor in the soul-winning ministry of your church.

      1. Calabash Mission, now sponsored by the Brunswick Baptist Association, be constituted a Baptist church.
      2. The associational trustees transfered the deed for the mission property to the trustees of the Calabash church.
      3. Accept the Calabash church under the watchcare of the association until the next annual session.
      4. At this time the one year watchcare period stipulated in the associational constitution would apply.
   (3) The above recommendations presented as a motion by John W. Butler, seconded by Albert S. Lamm. Motion passed by an unanimous show of hands from the executive committee.
   (4) In the report to the executive committee concerning the Missionary's work, the chairman noted that the missionary, rightly so, does not expect remuneration for work in connection with the associational program. However, when supplying the pulpit in liu of the regular pastor, he should receive a fee.
   (5) A motion was made by the chairman that a letter outlining the above statement be sent to all the churches. Seconded by Earl L. Caldwell.
   (6) In the general discussion following the proposed motion, E. J. Prevatte, General Board member, stated the missionary should use his time in areas of work were needed and not let the churches tie him up in filling the pulpit.
   (7) The pastor of Calvary Church, Mark Owens, stated the missionary should handle himself according to the needs of the churches.

(8) E. J. Prevatte, the state convention allows two weeks of revival work to each of their personnel for which the honorarium may be retained for their personal use. Move the above motion be so amended.

(12) Albert S. Lamm, I move my motion as presented and amended be withdrawn.
(13) E. J. Prevatte, moved that this motion be tabled until the next meeting. So ordered by the moderator.
(14) Motion made by E. J. Prevatte that the missions committee draw up a guideline for the missionary to be presented at the next executive meeting. Seconded and approved by the committee.

4. Budget and Finance: Miss Ruth Galloway, Associational Treasurer.
(1) Quarterly finance report handout distributed showed the association to be operating in the black.

5. Planning and Promotion: A. R. Waisner, Missionary.
(1) Our Baptist Hospital in its free care section sorely needs additional financial help. Make your Mother's Day offering to the hospital average at least one dollar per member.
(2) As your Missionary, I know God will take care of me. I covet your prayers as I visit and work with the churches.
(3) Woodburn Church, Leland, was visited last Sunday morning. They had 45 on roll, $118.00 offering, with three additions. The pastor will be ordained in the near future at Delco First Church, a Missionary Baptist church.

13. At this time I would like to commend E. J. Prevatte for his outstanding service during his tenture on the general board.

14. E. J. Prevatte, it has been a joy and a pleasure to serve on the general board as the representative of the Brunswick Association.

(1) New Secretary of Evangelism - Bill Lamm.

69. Suggestion made by Sidney D. Britt to change the $300.00 increase from car allowance to housing and utilities. E. J. Prevatte explained the present plan was correct. Henry L. Register noted it would be better to change so as to prevent an increase in quarterly tax payments.

REPORTS

ANNUITY REPORT

INFLATIONARY TREND CONTINUES - To meet the needs of retiring ministers, church staff members, and denominational employes, the Annuity Board has developed the Southern Baptist Protection Program to provide an adequate retirement income. As the inflationary trend continues, many churches and agencies are upgrading their retirement programs by contributing 10% of total salary. The Annuity Board and state conventions heartily recommend this action.

Response to the three-plan Protection Program was good during 1968. The Program includes: Plan "A", the basic retirement fund; Plan "B", the supplementary fund; and Plan "C", the variable fund. Response was also good in the Life and Health Benefit Plans.

HIGHLIGHTS OF 1968 -

1. 3,451 new members in the Southern Baptist Protection Program
2. 23,714 members now participating in Plan "A", 1,538 more than in 1967.
3. 18,086 churches providing protection for their pastors
4. 145 agencies providing protection for 9,894 employes
5. $173,863 given in relief grants
6. $6,543,169 paid in total relief and protection benefits
7. 3,106 applications for Health Benefit Plan, 1,677 net gain
8. 790 applications for Life Benefit Plan, 134 net gain.

Information about the Protection Program and the Life and Health Benefit Plans can be obtained from your state Baptist building or from the Development Division, Annuity Board, SBC, 511 North Akard Building, Dallas, Texas 75201.

Respectfully submitted, Frank Lennon, Representative

ASSOCIATIONAL MISSIONARY

We have experienced a rich and most rewarding nine months serving as your Associational Missionary. Words seem so inadequate, but we are grateful and extremely thankful for the kindness, thoughtfulness, and the Christian love that was extended to us during these months.

Our thanks to each church who, through giving to Associational and State Missions made it possible for us to serve in this capacity. Our thanks to all of you for simply being the warm, friendly people that you are, we shall always hold a special place in our hearts, for each of you have meant something special to us.

The total program of our association has made progress in these months. Many of our churches have added additional space, renovated or in the process

of completing a new plant, air conditioners and heating systems have been added. Floors refinished and walls painted. But more important then all of these many souls have been won to Christ through Revivals and Personal Witnessing, for which we are most grateful. At present we have six Pastorless Churches. Since our Annual Meeting last year we have come into our association: S. W. Jolly, Pastor of Mt. Pisgah, Leo Cannon, Pastor of Supply, W. T. Lundy, Pastor of Elah, and Weston Varnam, Pastor of Mt. Olive. We extend a cordial welcome to these men of God who are serving these churches. Let us continue to pray for those who are pastorless.

There were Twenty Four Bible Schools reported and others for which we did not receive a report. Also Mrs. Robbins reported five colored schools.

On April 27, 1969 the Calabash Mission was Constituted into the First Baptist Church of Calabash, and the property was signed over to the Trustees of the Calabash Baptist Church. Much progress has been made there with a new Building almost ready for their use. On May 11, 1969, Boiling Spring Lakes held the first service in their new Sanctuary. We are most grateful for the work being done there. June 22, 1969 the beautiful new sanctuary was dedicated for the salvation of lost souls and for the Glory of God.

Your Missionary has had an extremely full schedule. Apart from the monthly news letters, the hundreds of individual letters, Associational meetings, group and committee meetings, individual counselling, we have attended four full weeks of State and Southern Baptist Conferences, a number of three day and night conferences and many one day or night meetings. Conducted one revival, and one week of Bible study. Have visited every church at least one time during the year. Preached on an average of twice each week, helped in one Vacation Bible School, and assisted others. Sent a monthly activities report to the Missions Division in Raleigh, and one to the Chairman of the Associational Missions Committee.

Since you will be hearing from each Associational Organization I shall not attempt to elaborate on the accomplishments in these phases of our work.

As we continue our work together, let us go forward in the Spirit of Christ. The years ahead will afford us many wonderful opportunities for service in the Kingdom of our Lord. We shall realize a great emphasis on Bible Study, with many new approaches to communicating God's Word to the multitude of lost people. Hundreds of new pieces of new material will be available to assist us in all phases of our church program.

The Sunday School will experience a complete change in grouping and grading, new names, new terminology will be used throughout. The Brotherhood will experience many changes. The Training Union will not realize too much change.

The W. M. U. which is the Trail Blazor, have already launched out into the deep, which began last year.

Now, is the time to begin preparing for the new opportunities, which are to be in operation one year from now. There are two books which are recommended for your study in preparation for the year 1970-71 they are - The 70's Opportunities for your church, and A Dynamic Church.

Let us not wait to be shaped by the future but, rather, let us help shape the future.

Respectfully submitted, A. R. Waisner,
Associational Missionary

THE BAPTIST HOSPITAL

Each year we come to the annual Baptist Associational meetings to face the facts of the past year. Some reports are most encouraging and some are not. Our Baptist Hospital in Winston-Salem is still struggling financially, though the situation is improving. The Mother's Day offerings for the year have exceeded last year's by about $9,000, statewide. The records of the Brunswick Association show their contributions to have increased about 2 percent over 1968.

We would like to emphasize that Mother's Day offerings and other outright gifts are used to help charity patients, people who are unable to pay any or all of their medical bills.

We are proud of our Baptist Hospital and happy that we can have a part in helping our fellowman through its services when he is in desperate need. Let's make our Mother's Day offerings bigger for 1970.

Respectfully submitted, J. J. Hawes, Representative

BROTHERHOOD REPORT

The Brotherhood of the Brunswick Association has been almost inactive this year. Only seven of our churches reported Brotherhood Organizations last year, and only one that I know of has been organized this year. This one being at Soldier Bay Church. There may be more that I have no record of.

The associational R. A. Leader, Mr. Billy Leggett of Leland Church and I attended the State Briefing Meeting in High Point, August 22 and 23.

Respectfully submitted, Sidney D. Britt,
Brotherhood Director

BAPTIST CHILDREN'S HOMES
of North Carolina

Among church supported agencies, North Carolina Baptist are fortunate to have one of the finest programs in the nation for the care and development of dependent children and for strengthening and supporting family life. More than 1200 children and their families are served annually.

The Children's Homes, through a variety of quality services, is recognized as a family service agency. More requests for services are now coming to the Baptist Children's Homes than at any time in our previous history. All agency beds are filled and all available money is being utilized.

Friends of the Children's Homes, in Western North Carolina, have responded generously to the Founders and Builders Program to raise funds with which to establish the Broyhill Home to serve children in Western North Carolina. Sufficient funds have been given and pledged to purchase the land, to perpare the site and to construct the first two cottages for children.

With the support and cooperation of Baptist and other friends of the homes another ministry is being developed in Asheville. A home in which to serve unwed mothers and their offspring will be opened during the fall of 1969.

The contribution of our Baptist people through the Cooperative Program, the Thanksgiving Offering and special gifts are essential to our continued operation and are received with deep appreciation. An increasing number of friends are finding a rewarding stewardship opportunity through the establishment of trusts for the Homes and by means of wills and estate planning for the needs of dependent children. Members of the staff are available for consultation in estate planning and the preparation of wills.

CHRISTIAN EDUCATION

Never in the history of the world has there been a greater need for more Christian Education than there is on these days in which we live.

At the Sputhern Baptist Convention it was reported that the importance and problems of Christian Education as related to Baptist schools have been studied by faculties and other groups who are today interested in more and better education in a christian sense. Our Education Commission is encouraged over the response to the needs of our Baptist schools.

During the year 1968 North Carolina Baptists held seven conferences on the campuses of the colleges, attended by pastors, deacons, WMU leaders,

and college personnel, to grapple with the issues coming out of BEST. In the years to come there will be more of these conferences held.

Total enrollment for the Baptist schools for the year 1968-69 is 104,850 which shows a gain of 6,155 over the year 1967-68.

From September, 1967 to August, 1968 our schools graduated 14,592 which shows a gain of 1,988 over the previous year.

To aid these schools in this big task State Conventions and the Southern Baptist Convention gifts to the schools amounted to $20,008,773. Out of this $15,358,794 went for operations of the schools and $4,649,979 were for capital needs.

During the year schools received $21,228,499.00 in other gifts, grants, and donations. Assets of Southern Baptist educational institutions are $625,381,357.

North Carolina Baptists now have a university, four senior colleges, and two junior colleges: Wake Forest University, Winston-Salem; Campbell Senior College, Buie's Creek; Mars Hill Senior College, Mars Hill; Meredith Senior College, Raleigh; Gardner-Webb Senior College, Boiling Springs; Chowan Junior College, Murfreesboro; and Wingate Junior College, Wingate.

There are currently enrolled in all North Carolina Baptist Colleges approximately 12,000 students. Out of these there are more than 500 young men and women preparing for full-time Christian Service, which includes those preparing for the Gospel ministry, missionaries, educational directors, directors of church music, Christian college teachers, chaplains, and denominational workers.

Jesus Christ is the foundation of all truth and provides the frame of reference in which all knowledge can be examined and used for the good of man and for the glory of God, and the two cannot be separated.

In our North Carolina Baptist schools the curricula provides courses in the study of Bible, Church History, and related subjects which give our students new insights and commitments to the Christian faith.

Today all colleges have regularly scheduled chapel services which provide for the students an opportunity for worship, meditation, scripture, prayer, music, and preaching.

Our Cooperative Program is the Baptist College lifeline. Administrations, faculties, students, trustees, and alumni are deeply grateful to North Carolina Baptists for this support.

The Baptist College Day offering has become another significant means of financial support to our Baptist colleges, and each church is urged to participate.

CHURCH LIBRARY REPORT

Libraries have been in existence in Southern Baptist churches for more than a century; yet, there are many leaders even today who feel that a church library is a luxury and not a necessity. As Dr. Wayne Todd has said, "There are churches which consider a library to be a little collection of harmless books for leisure reading by idle souls who do not have enough work to keep them busy". Perhaps this may be the feeling of some of the churches in the Brunswick Association; or, on the other hand, it may be that the reason we only have libraries in six churches - Bethel, Elah, Friendship, Shell Point, Southport and Supply - as reported in the 1968 minutes, is that we have not yet caught a vision of just how vital a library can and should be for every task of the church. All of us would be horrified, and rightly so, to think of proposing that a public school be operated without a library to undergird and expand its teaching and learning program. Is it any less important that those who teach and study the Word of God should have a collection of resource materials to help them in this great privilege of carrying out a part of the Great Commission?

Perhaps each person in your church is waiting for another to do something about a library for the church. Now is a good time, at the beginning of this church year, for the pastor, an interested person or some organization in the church to ask the church in conference to take indefinite steps toward establishing a library for the church. Quite often it is the Woman's Missionary Society, or the WMU Council, that will take the lead here, using as a basis of its collection of resource materials the books and other items that have been collected for the study of one of the mission books. This is an excellent way to begin and I know of at least two libraries in this association that got their start in this way. Sometimes it is the Sunday School organization that can get the library started with particular emphasis upon books and other materials that will help in training the teachers of the Sunday School. The Training Union, with its on-going program of leadership training, should be especially interested in having a church library. Another group that might be instrumental in beginning a church library is the Vacation Bible School faculty as it plans for training and for the summer reading clubs that we are urged to promote through Vacation Bible School.

There are many opportunities to serve our Lord through the church library. It should be a part of the total ministry of the church. If you feel that your church needs a library, and you are willing to do what you can to see that your church has a library, and you feel that I can be of some assistance to you or your church in this respect, then see me today and I shall be happy to share with you my experiences and tell you about the assistance that is available to anyone who is interested in getting a library started.

CREDENTIALS COMMITTEE

The credentials committee having met and considered the applications for membership in their association, submits a report:

(1) Sunset Harbor Baptist Church is duly organized and functions as a Baptist Church. They were admitted under the watchcare of the Association for one year, having made proper reports of cooperation and progress to the credentials committee, therefore, we recommend that the Sunset Harbor Baptist Church be admitted to the Brunswick Baptist Association as a sister church, in full fellowship and responsibility.

(2) The Woodburn First Baptist Church as of October 9th, 1968 request admission into and to become a member of the Brunswick Baptist Association. They state a desire to meet all requirements stipulated in the constitution of the Association as a member church; to support the Association with financial assistance, attend its meetings, participating and cooperating to the best of their ability in all phases of Associational work.

Your credentials committee recommends that Woodburn First Baptist Church be admitted under the watchcare of the Association, and make quarterly reports as stipulated by the Constitution for a period of one year before being admitted into the full fellowship of the Association.

(3) The Clabash First Baptist Church was duly organized as a Baptist Church April 27, 1969 with many of the officials of our Association present. After the organization the church in conference called Rev. Earl L. Caldwell as pastor.

The church has made considerable progress since that time, the Association deeded to the church the property, a new sanctuary almost complete, a number of additions by faith and repentance. The church voted in conference August 31, 1969 to request admission to the Brunswick Baptist Association as a member. If admitted to cooperate with financial assistance, attend meetings, participate in Associational work.

The credentials committee, even though the Calabash Church was sponsored by the Brunswick Baptist Association as a mission, recommend that the Church come under the watchcare of the Association for one year as stipulated in the constitution and that quarterly reports be made.

EVANGELISM

The simultaneous revival meetings held last spring as a part of the Crusade of the Americas bore evidence, in some places across the state, of being genuine spiritual revivals. Where God's people sowed bountifully, they reaped gloriously. In our association the Crusade was the greatest revival we have had in the past six years. Fifteen churches participating reported 69 baptisms, 24 by letter.

As we face the future in evangelism we should take note of what happened this year where outstanding revivals were experienced. This will give some guidelines for future plans in evangelism. As observed across the state some of the characteristics were:

1. In every church where an unusual revival was reported there had been an unusual prayer concern and prayer participation across several months on the part of some church people -- usually the leaders. This definitely says something to us for the future.
2. Some of the most powerful revivals in our state started among the young people of our churches. Young people are prominent in many places today (mostly in worldly places), and it is encouraging to know that when they offer themselves to God to be used in His purpose, as many are doing, that revivals break forth in the churches. This has taken place in several churches in North Carolina this year. It ought to be happening everywhere.

In the light of what we have seen this year, here are some "musts" for the future:

1. To seek earnestly to be completely assured in our hearts and minds that the only hope for us and all people is Christ -- Christ as He and His gospel are revealed by the Holy Spirit through the Bible, the inspired and inerrant Word of God.
2. To purpose to engage daily in searching the Scriptures and in praying for spiritual revival in the churches. Some have made a beginning in this vital matter and all other Christians should join them and continue steadfastly therein.
3. To proclaim faithfully "publicly and from house to house" (Acts 20:20) the glorious gospel of Christ, and to make this purpose central in all church plans, programs and activities.

Respectfully submitted, D. G. Thomas, Chairman

INTERRACIAL COOPERATION

Baptists in the two state conventions have strengthened some established work during 1969 while opening new avenues of service together.

Members of the General Baptist State Convention shared in the annual statewide Vacation Bible School clinic at Wingate College in January.

For the second time, the statewide conference on evangelism held in Greensboro was sponsored jointly by the two conventions. The first statewide Men and Boys Convention to be co-sponsored was held in Winston-Salem in March.

Various churches and associations have encouraged the program of work with National Baptists on the local level. Successful bi-racial revivals were planned and held in Robeson and Anson associations this year. Several associations invited Negro speakers to participate in their annual meetings.

Scholarship aid was provided for 22 students at Shaw University, North Carolina College at Durham, Fruitland Bible Institute, Union Christian Institute, and Hardbarger Business College.

Vacation Bible School work continues to improve in quantity and quality with the department helping with 52 schools this year enrolling 5,132 people. Exciting efforts with Week Day Bible camps were held at the Mount Zion Baptist Church, Asheville, and the Bethel "A" Baptist Church, Brevard.

INTERRACIAL DEPARTMENT WORK IN THE BRUNSWICK ASSOCIATION -- It has been a year of hard work without too many visible results. The first school was a new one at Thomasboro within three miles of South Carolina. The last school on the Cape Fear River at Navassa. There were two new churches reached this year. Pleasant Grove, Thomasboro and Pleasant View at Grissetown. This was their first attempt and were hard to enlist in the undertaking. One christian, blind of eye but with a seeing heart, said "I have prayed long for this, I thank God that I have been able to see this day come to pass that our children have had the opportunity to receive this training the past two weeks."

We were able to resume the work at Navassa this year. I had not been able to secure workers for the school, Mr. Cooper had approved and three workers were hired when I received a call from the Vacation Bible School Director of the Wilmington Association. He was wanting a mission project for a church mission action group. This group of 18 works from Winter Park Baptist Church furnished all supplies and workers for a very successful Vacation Bible School.

The people of this church are still rejoicing in the experience of a real mission project. It is my sincere wish that many of our churches would avail themselves of like opportunities for mission work.

I taught the Women's Missionary Society leadership course in the institute during February. Three cards of accreditation were earned. Vacation Bible Schools held numbered five with a total enrollment of 396 pupils. Mr. Tom Green, of the Stewardship Department, requested material for an article on the work in order to promote the work statewide.

Only one profession of faith was made. But to me this one teen age boy was worth it all. We are to plant and water but God gives the increase. Who are we to evaluate the results?

Respectfully submitted, Mrs. Dewey Robbins, Representative

MISSIONS COMMITTEE

The Missions Committee met each quarter prior to the meeting of the Executive Committee. Other meetings were also called during the year. The committee met each quarter with the Executive Committee.

In November the Committee, after prayer and discussion presented Brother Arthur Waisner to the Executive Committee as our new Associational Missionary. Details may be found in the minutes of the Executive Committee.

The Missions Committee presented to the Executive Committee guide lines for the Associational Missionary. These guide lines were approved and each church was asked to keep a copy in their files.

Calabash Mission requested that they be constituted into a Baptist Church. The Missions Committee was happy to grant this permission and so was the Executive Committee. God is blessing the work in the Calabash community.

The purpose of the Missions Committee is to serve this Association in the name of our Lord. Please contact this committee if they can help you in any way.

MUSIC MINISTRY

Christian music is as old as the church in it's history. Singing has always been an important part of the worship service. As we seek to sing to the glory of the Lord, we should be prepared to give our best to the task.

There several things which help us to do so: a good instrument, the best books and regular practice.

Several churches have purchased new books, others new or better instruments, while others have formed new choirs.

We are glad to hear of the progress in all our churches. If the Music Leaders can be of any help to you please call on us.

Respectfully submitted, Mrs. Jim H. Williams, Organist

NORTH CAROLINA BAPTIST FOUNDATION, INC.

The assets of The North Carolina Baptist Foundation, Inc. have now reached beyond the one million dollar ($1,000,000) mark, including trust funds and real estate. Since the reactivation of the Foundation, around 1962, the total assets have increased from $350,000 to the present excess of slightly over one million. This is positive proof that the Baptists of North Carolina have discovered that the Foundation is really a service arm of the Baptist Convention of North Carolina.

As mentioned above, the Foundation renders a service to: (1) God, (2) individual Baptists, and (3) Baptist agencies and institutions. Every Baptist has an opportunity through his Foundation to provide for continuing stewardship in the agencies and institutions in which he has an interest.

The Foundation has again this year put particular interest upon the making of wills. Several of our churches have used the facilities of the Foundation to conduct Will Clinics and reports from these clinics indicate that they were most successful. We have also had an opportunity to counsel with many people concerning their own wills, and in some instances we have provided the information and direction necessary for inclusion of Baptist causes in their will.

We have had a most successful year and can attest to the fact that the Foundation is on the move and is rendering service to individual Baptists in a most concrete way.

Respectfully submitted, Earl L. Caldwell, Representative

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

Never before have your Baptist Homes for the Aging been more conscious of the Lord's Presence and of His Goodness than during the past year. At a time when the economy of the Homes was at its lowest ebb, with a sizeable deficit looming larger by the moment, when the weather was at its severest on the 3rd Sunday of February, the day of the Special Offering, the churches came through with an offering that promises, at this point, to be the greatest in the Homes' history. The Lord, who is in charge of the weather and in charge of the Baptist Homes for the Aging, has surely rewarded our faith and moved upon our Baptist people to see the urgency of our needs, and we are grateful.

Ours shall continue to be a relationship of trust in the Lord and faith in our Baptist people. We earnestly hope that a continued and sustained effort will be made by our churches to increase and strengthen the amount of the two main means of support for our ministry to the Aging--the Special Offering, and the Cooperative Program. Through these two sources, one-third of the total income for the Homes is derived, and 85% of the residents, who are financially dependent, are cared for and supplemented. If we are to continue to assist these many needy persons, and if we are to reduce the deficit in the operation of the Homes, brought about by the rising cost of living, we must have more liberal support from our churches.

We do not believe that our Baptist people would want to curtail any of the vital ministries of the Homes and that they will respond to this urgent appeal.

Since last year, the Yanceyville Home, our newest Home, has been filled to capacity, and we now have almost 200 deserving older men and women living in our midst there and in our other four Homes -- Resthaven, and Hayes Home, in Winston-Salem, the Albermarle Home, in Albemarle, and the Hamilton Home, in Hamilton. These wonderful people are finding much happiness in Christian companionship with persons of their age group, and

great security in knowing that they will be loved and cared for in sickness as well as in health.

It is a deeply rewarding experience to see the light and joy of Christ on an older person's face and to hear words of deep appreciation almost daily for the Christian love and nurture that North Carolina Baptists are making possible through this ministry. We believe, therefore, that our Baptist people will want to have an ever-increasing part in so worthy a labor of love in the Master's Name. We know that the Lord will not fail us, and we also believe that our people will want to be as faithful as possible.

Respectfully submitted, James K. Johnson, Representative

RELIGIOUS LITERATURE

The reading of printed material is one source of wisdom and knowledge, so we must not fail to take time to read religious literature. Our denomination provides for us the very best. God intends for us to be informed and to learn, and there is no limit to what God will permit us to learn.

Published in N. C. are the "Biblical Recorder", and the "Charity and Children". The year 1969 has been one of the most significant in the 136 year history of the "Biblical Recorder". The "Recorder" is read by almost 300,000 N. C. Baptists in some 90,000 homes. For almost a century and a half the "Recorder" has played a vital roll in the life of our convention and state, and it will continue to do so. The "Charity and Children" is a weekly publication of the Baptist Children's Homes of N. C. This paper provides feature stories on Baptist work in N. C. and throughout the world; human interest articles on all child care ministries, general information on all Baptist programs, news about church activities in the state as well as editorial comments on social issues confronting today's modern society.

The "Home Life" published monthly by the Sunday School Board is a Christian Family Magazine. This magazine will give inspiration and help for the entire family with articles on family living, family teaching, and family worship.

Our Southern Baptist Conventions publishes monthly two mission magazines for our enjoyment, enlightment, and inspiration; - "The Commission", and "Home Missions". The "Commission" is our Foreign Mission magazine, which gives us the problems of our missionaries around the world, and just what our denomination is doing in other parts of the world. "Home Missions" keeps us informed as to our work in the 50 states of our own country.

Today as never before Southern Baptist need wisdom, knowledge, and understanding, and by reading our religious literature we can become better informed Christians.

SUNDAY SCHOOL REPORT

In October we had two Sunday School workshops, one at Elah Church and the other at Calvary Church. Both were well attended.

We were sorry that the Rev. Henry L. Register had to leave us as Associational Missionary. Let us thank him for what he had done for our people and pray that God will help him in his time of sickness. We are also glad to have the Rev. A. R. Waisner to come to be with us and lead us for the up-building of God's work in our association. Let us also pray for him.

In April we had Action Night and it was well attended. Let us not forget that April 20, 1970 is Action Night at Antioch Church. We hope that every Sunday School member can be there.

There will be a change in Sunday School in 1970. We hope you will be able to attend the workshops and clinic in order to help your Sunday School, in 1970.

There are two books that we hope each church can order from the Baptist Book Store. They are:

1. A Dynamic Church
2. The 70's Opportunities for Your Church

Let us all work and pray for our Association that God's will be done.

Respectfully submitted, Harold M. Williams, Jr., Supt.

TRAINING UNION

We, the officers of your Associational Training Union, would like to thank you for your prayers and support during 1968-69. Your cooperation is always greatly appreciated.

We are proud to report that "M" Night attendance was an all time high. Already we are looking forward to this years "M" Night and trusting that you will attend. God's blessing will be upon all who attend this important yearly meeting.

Farmer's Chapel has organized their Training Union program and we pray God's blessing upon them as they train themselves for church membership. May the Holy Spirit lead as we continue to work and lead our churches in a better church membership training program.

Respectfully submitted, John White, Associational Director

WOMAN'S MISSIONARY UNION

The past year in Woman's Missionary Union has been one of many "changes and choices" as the new plans have been introduced all over the Convention. Other new plans are in store for us in the immediate future and as we get ready to enter the new decade. Quite naturally, this has brought about confusion and difficulties in many instances, and without the help of Mrs. Catherine King and the other faithful members of our W. M. U. Council, I would not have been able to carry on. However, for the most part, we have been able to work with the changes and our work has continued, although in two of the churches WMU is no longer functioning as has been previously reported. Much of this year has been spent in study and preparation in an effort to be of service to the churches in the Association

At the beginning of the 1968-69 church year twenty-one churches were reporting as having one or more of the age-level organizations, including missionary societies. As far as I have been able to determine there were no new organizations during the year.

We are now handicapped in obtaining information about these organizations because under the new plans there are no reports from the local church to the Associational WMU Council, but reports are only made to the church in conference and then once a year through the church's letter to the Association. Because of this and the need for information upon which to base our plans for the year, one of the first things I did after taking office was to get out a directory to each pastor asking that he send me the necessary information concerning the WMU organizations of his church. The response to this effort was very good and I wish to express my appreciation and that of the WMU Council for the cooperation of the pastors. Directories have again been mailed to the pastor or to some interested person in the church and already from our thirty-seven churches I have had a response from 18 and will probably receive more today.

In September of 1968 the WMU Council attended a Workshop for Associational officers in Raleigh. A few days later we held a Leadership Conference in the Southport church, introducing to all leaders and officers the new WMU plans. This meeting was well attended.

In November, your WMU Council entertained the pastors and their wives, the WMU directors and their husbands, and the WMS presidents and their husbands at a missions banquet held at the Bethel Church. More than 60 people were present for an inspiring and delightful evening together.

Also in November, your WMU Director taught the Foreign Mission book at the Antioch Church. Antioch had extended an invitation to all the churches in that area and seven of these churches were represented at the study with 45 women in attendance.

Again, in February, we had an associational mission study of the Home Mission book and Mrs. Donald MacCallum of Wilmington taught the class at the Southport church. Members from six churches attended with 51 women present.

The month of March was an extremely busy one for members of WMU with a leadership course being taught at the Supply Church and the Annual Meeting having to be moved to one of the days of the Week of Prayer because of a conflict in the schedule of the missionary who was to be our speaker. This meeting, held at the Mount Pisgah Church, was one of the finest and best of any in recent years. Attendance was especially good for the night session at which time Mrs. Judson Lennon of Thailand brought the missionary message. Mrs. Margaret McRackan, former associational missionary in this association, brought us the Week of Prayer message for that day. One hundred forty-three persons registered for the meeting and 22 churches were represented.

In May we had a prayer retreat at Old Shallotte, with 38 present and 8 churches represented.

Our G. A. 's had a good year with excellent attendance at their Mother-

Daughter Banquet at Calabash, and at their rallies, retreats and clinics under the leadership of Mrs. Joyce Bennett.

Although few in number, our YWA organizations kept up their good work, struggling against many odds. Mrs. Lona Caudill led out in this work.

In our Sunbeam work, both the Director and the Assistant Director because of family illnesses and other related problems, had to resign, but we are fortunate in being able to have Mrs. Ozalia Phelps, former Sunbeam Director, take over the work. Under her capable leadership we were able to continue with the plans for the Sunbeam Day Camp which was held at the Calvary Church in August.

This has indeed been a busy year, but on the whole we feel that it has been a very worthwhile year and that work was accomplished for our Lord as the women and young people of the Association have served Him through the local church in teaching missions, studying missions, praying for missions, giving to missions, and witnessing in the various communities making up this Association. I thank God for being a part of such an enterprise and pray that He shall lead us onward and upward as we continue to serve Him.

Respectfully submitted, Mrs. Susie S. Carson, Director

NORTH CAROLINA BAPTIST ASSEMBLY

In 1824 the United States Government took title to the land now occupied by the North Carolina Baptist Assembly. A fort, called Fort Caswell, was built to protect the mouth of the Cape Fear River and the town of Wilmington located twenty four miles upstream.

The fort was named for Richard Caswell, first Governor of North Carolina, a member of the Continental Congress and an officer in the American Revolution.

Throughout the years the fort was enlarged. During the Civil War, Fort Caswell was in the possession of the Confederacy. After World War I, the nation could readily see that forts were useless for protection. The government in 1924 sold Fort Caswell after holding title for one hundred years. However, at the beginning of World War II the government took back a portion of this land for use as a Naval Base-Coast Guard use primarily.

In 1949, North Carolina Baptist bought Fort Caswell, consisting of 248 acres, from the United States Government. Counting the purchase price of $86,000 dollars, North Carolina Baptist now have more than one million dollars invested in buildings and grounds. Best of all, from a fortification build by the government to safeguard our American way of life we now see a great Christian educational and training program emerging that will indeed help safeguard the best in our Christian Heritage.

Through hurricane Hazel, among other storms and many growing pains Dr. Richard K. Redwine guided the assembly for the first seven years. In 1956 the Baptist State Convention changed its name to "The North Carolina Baptist Assembly" Many Baptist know it as "The Assembly By the Sea".

Although not primary, recreation offers fun and relaxation. Inspiration and Christian education is the most important function of the assembly. Stated thus is the purpose of the North Carolina Baptist Assembly. "The purpose of the Assembly is to strengthen and advance the work of Christ as it is being done through the churches, boards, and agencies of the North Carolina Baptist Convention. This is accomplished through programs which include inspirational, evangelistic and commitment services,

classes and conferences. The programs are planned for the development of leaders and future leaders of the churches. Since many children and youth attend the Assembly programs, numbers of conversions and life commitments are made each year. The hundreds who attend return to their churches dedicated to their work, informed for their task, and motivated to render greater service for Christ."

Fred J. Smith is the present manager. He and his staff are always ready to serve you, the Baptist of North Carolina.

FRIENDSHIP BAPTIST CHURCH 1916 - 1970

On August 2, 1916, Long Branch and Regan Baptist Churches (both now extinct) agreed to unite together as soon as a church site near the center of the two churches could be obtained.

Old records read - State of North Carolina, Brunswick County. To whom it may concern: This is to certify that we the undersigned Presbytery met at Old Long Branch Church on the 7th day of October A.D. 1916. Being called to meet with the members of Long Branch and Regan Baptist Churches for the purpose of constituting a regular Missionary Baptist Church.

The Presbytery was Rev. J.A. Mintz, Elias Jenrette, H.I. Bennett and W. H. McKeithian. Friendship was selected as the name for the church.

Elias Jenrette, Willie Ganus, J.M. Long, H.I. Bennett and Isaac Jenrette were recognized as deacons. All members on the old rolls were received. Rev. T.H. Patterson was called as pastor for the ensuing year.

A wooden frame structure with bell and steeple, the original structure with much remodeling and several additions still houses God's people in the Friendship community.

Friendship has reported a Sunday School since 1917. The church membership at present is 156.

Nine of the charter members are still members of the church, with one of them Bro. P.A. Hughes serving as Chairman of the board of deacons.

Records go on and on telling of things that have been done in the Friendship Church, the men and women who have gone forth as preachers, teachers, and lay members to witness for our Lord. But only in the hearts and souls of the people who make up and have made up God's church, housed in this earthly sanctuary can the real blessings and records of God's spiritual blessing be found.

Many God-called men have pastored Friendship, among them Rev. B.R. Page, H.B. Bennett, J.I. Stone, W.E. Guy, Braxton Craig, H. R. Brinson, Z.G. Ray, R.J. Raspberry, George Hunt, B.B. Parrish, E. Evans Ulrich, W.M. Ussery, R.W. Strickland, Earl Lanier, Richard Williams, Howard Fowler, Robert E. Lee, and J.D. Hewett. Now this flock is being led with God's guidance by Rev. Irven Hughes.

This is only a brief resume of things, people and events that have occurred around God's earthly sanctuary,

"Friendship, where we worship and pray,
Friendship, where God is present everyday."

AMERICAN BIBLE SOCIETY

One of the very important works that our churches are doing is to help the American Bible Society. There is no project we engage in that is of more importance than carrying God's word to the uttermost parts of the world.

The one function of the Society is to bring the Scriptures to humanity. No matter what the language, no matter whether rich or poor, no matter where - the man, woman or child without the Scriptures is the Society's sole concern. No man can confess faith in one who he knows not. The Bible must be in their hands. This is the main purpose of the American Bible Society. The major work is done when the man without the Scriptures is met by the man with the Scriptures.

Except the English-speaking world and certain countries of western Europe, most of the world is dependent upon the Bible Society for Scriptures in their own languages.

I have time only to mention a few of the things the Society did last year. Scripture distribution throughout the United States totaled 76,216,553 Bibles, testaments, portions and selections. This is a 47.6 per cent increase over 1968. Scripture distribution throughout the 150 countries and territories receiving annual assistance from the American Bible Society showed an estimated increase of over 17 percent. 403,143 Scriptures were provided for the blind. A total of 2,224,844 Scriptures were donated through chaplains to the men and women in the armed services, an increase of 3.3 per cent over the number distributed in 1968. More than twice as many contacts with college campuses were made in 1969 than in 1968. More than 70 denominations, communions and church agencies contributed to and cooperated in the work of the Society, supplying 16.1 per cent of its 1969 budget.

The above is only a part of the great work the American Bible Society is doing. During 1969, 1,160,362 individual gifts were received in support of the American Bible Society. May each church in our Association resolve that it will be among that number this coming year. Also, we pray that more people will remember the Society in their prayers.

Respectfully submitted,
Miss Annie May Woodside,
Representative

ASSOCIATIONAL MISSIONARY

Dear Christian friends, we have experienced another year with many great and wonderful opportunities to serve our Lord.

The work of the Lord's Kingdom, is like the construction of Gothic Cathedrals, requiring the labor of many generations. Apostle Paul said, I have laid the foundation of the house like an expert Master-Builder, it remains for others to build thereon.

The foundation has been laid in your church and our Association, many have worked diligently for years to bring us to the place we are today. Lives have been laid upon the alter for our Living Lord, and the Lord has marvelously blessed all of these efforts.

The work in our association is moving forward. We have experienced some of the greatest revivals this year in the history of our association.

Last year I reported six churches who were without pastors. This year I am very happy to report only one pastorless church. Coming to our association since our last annual meeting are Rev. Truette Rogers, to Antioch, Rev. Macon M. Wood, to Bethel,

Rev. John C. Dean, to Southport, Rev. W.H. Lewis, will be coming to Elah, the first of December. Rev. Ivren B. Hughes, one of our own men who was ordained at First Baptist Shallotte, May 17, is now serving the Beulah and Friendship churches. Rev. Jimmy Rogers is serving Peace Memorial as Interim pastor. We cordially welcome these men to our association.

In January of this year the people at Calabash moved into a nice new brick building. March of this year the congregation at Jennie's Branch moved into a lovely new Sanctuary and Educational Plant. August the fine people at Southport occupied a beautiful new Educational Building. The Truette Rogers family will soon move into a lovely four bedroom brick pastorium at Antioch. Also the fine people at Supply will soon move into a nice new Sanctuary and Educational plant. New Life congregation has installed new pews and wall to wall carpet. Calvary has installed more pews and wall to wall carpet. Plans are under way at Bolivia for a new Educational plant. Woodburn is planning a new Educational plant. This is some of the progress being made in our association.

There were 31 Vacation Bible Schools reported and others perhaps that we have no record. There has been Spiritual Progress also. Many professions of faith and church membership have been reported in our churches this year. Last year there were 185 Baptisms reported, we do not have the total for this year, but we are sure there is quite an increase.

Our Associational Financial program this year increased over that of last year. We have purchased two Film-Strip Projectors, and are in the process of purchasing a Folding Machine. This is a dream of the past four years come true.

There has been a wonderful spirit of cooperation among our people this year in supporting the associational program. The Associational Officers have worked diligently and patiently and responded to every call with a spirit of love, unity and concern. For this we express our sincere gratitude and appreciation. Our meetings have been well attended with enthusiasm. Two of the grandest nights of the year were our Shaping the 70's Conferences. Because of your response and spirit of togethernesss we were made to rejoice.

All organizations are fully staffed and ready to serve you in every way possible. We are hopeful that you will use these people when there is a need in your church.

Since you will be hearing from each organization, I shall not attempt to elaborate on the work of each organization.

This has been a year of learning, sharing and participation for your missionary. The one thing that makes it all worthwhile is your cooperation, words of kindness, sympathetic understanding and prayers. Your missionary has sat in three full weeks of conferences, many, many, one, two, and three day or night area, State and regional meetings. Trying to learn methods to serve you better. We have tried in some small measure to share with you some of the things which we have learned, during these days.

It has been our privilege to participate in some teaching and training conferences both in our association and as a special worker with the State Sunday School Department. We have been afforded the wonderful opportunity again this year to visit in all of our churches. We have assisted with Ordination services for both deacons and one pastor. Preached in regular services, Homecoming services, made talks in prayer-meetings, W.M.U. meetings, Brotherhood meetings, R.A. meetings, V.B.S. Commencement services. I have conducted one revival and visited a number of revival services in our churches. Have published a monthly News Letter, sent a monthly report to our State Office and one to the chairman of the Missions Committee. Many hundreds of letters to the church officers in our association.

Served as secretary for the County Pastor's Conference and many times showed

films in both Baptist and County Pastor's Conference. Met with all the associational committees in securing officers and planning meetings for the coming year. We feel that we have a very good program planned for the coming year in all of the organizations. Your missionary along with all the associational officers and committees express their appreciation to each of you for your support in the past year. Let us strive to make this year an even better one.

The work is not yet finished!

Ours is a day when Christians are referred to as "Those Hypocritical or do-gooder Christians". This is the reason why we need more than ever before to lay a stronger emphasis upon total commitment of each Christian, each Church, and our Association. Thank you for letting me share these days of opportunity with you in the service of our Lord.

Respectfully Submitted,
A.R. Waisner, Missionary

AUDITING COMMITTEE

The Audit Committee met with Miss Ruth Galloway, Association Treasurer, October 6, 1970 at 7:30 p.m. for the purpose of examining the financial records for the physical year 1969-1970.

We began with the balance shown as of October 1, 1969, checked the receipts against disbursements, tied them in with the bank statements, and arrived at the balance as shown for September 30, 1970. During the course of our examination we noted that the books were kept in a very neat, detailed, and efficient manner, concluding that everything was in order.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC.

Under the impact of the life, ministry and teachings of Christ and under the leadership of the Holy Spirit, North Carolina Baptist, eighty-five years ago launched a Christian ministry of child care. This has grown considerably and is widely recognized for its qualities of service and pioneering spirit. Sons and daughters of the Children's Homes are scattered throughout the world. They are actively engaged in all walks of life and are making a significant contribution to the uplift of mankind as a result of their early Christian training made possible by North Carolina Baptist and other friends.

Baptist child care and family services for Eastern North Carolina are coordinated through the office of the Superintendent of the Kennedy Home. The main campus, located on a 1200 acre farm five miles west of Kinston, has twelve cottages which accommodate from ten to twelve children each. The campus at Odum Home and the regional offices in Raleigh and Fayetteville are additional points through which these services are administered. An area of great growth in recent years has been the increase of foster homes from one to fourteen in number.

Recent construction has provided two of the most modern brother-sister residences

plus two individual houses for staff families. Currently being completed is a new infirmary of modern design, and a new multi-purpose recreational building.

The most exciting development for the eastern section is the TEN STAR BUILDERS PROGRAM which proposes to raise two and one-half million dollars for immediate and long-range expansion of child care and family services in the east. This will permit the renovation or replacement of old facilities and will result in a greater quality and variety of services.

The contribution of our Baptist people through the Cooperative Program, the Thanksgiving Offering and special gifts are essential to our continued operation and are received with deep appreciation. An increasing number of friends are finding a rewarding stewardship opportunity through the establishment of trusts for the Homes and by the means of wills and estate planning for the needs of dependent children. Members of the staff are available for consultation in estate planning and the planning and preparation of wills.

Members of the Board of Trustees and members of the staff of the Homes are dedicated to a program of child care that will merit the undivided loyalty and support of our people and that will be worthy of the blessings of our Lord. We covenant with you to face the future as we have the past: to offer Christian nurture to children in distress in the name of Christ our Savior and Lord.

THE BAPTIST HOSPITAL

Most of us here have been blessed by God to have good health. Some of us have not known very much the need for a Doctor's care, nor the need of Hospital care.

Being blessed in this manner we find it hard to see the need to aid and support our Hospital, But some day the need may come to your door then what will you say or do?

FIRST let us come to grips with the work of our Baptist Hospital. In other words a more simple way to say it is . . . what is our Baptist Hospital?

1. It is a great deal more than just another good, general hospital to which our Baptist people may go to get treatment of ordinary health problems, and pay less or nothing for the treatment.

2. It is a hospital plus a Medical School . . . One of the three fine teaching Medical Centers of our State. We train Doctors, Nurses, technicians, pastors, and missionaries . . . with over 700 persons in training.

3. It is medical research Center . . . learning more ways to aid in healing . . . in areas of all needs.

4. It cares for the needs by being staffed and equipped with the newest equipment . . . in the field of heart, cancer, and lukemia.

SECOND let us see and know that medical care is tremendously expensive . . . the average cost per day for a patient is $80.00. Which does not include the Doctor's fees. Reason for this cost . . . large number of highly skilled persons required in giving this needed care.

In industry 30 per cent of the cost is for personnel . . . General Hospital it is 60 per cent . . . Medical Centers it is 70 per cent . . . in other words out of the $80.00 per day cost . . . $56.00 is for personnel . . . $24.00 is for drugs, equipment and supplies.

THIRD for the last five years the hospital has been in real trouble . . . because of . . . skyrocketing cost . . . shortage of funds.

As of this date it is operating on a sound basis, except for its services to those who cannot pay for their needs.

What can we do to aid . . . GIVE . . . GIVE . . . GIVE.

In spite of the problems physical growth is still needed . . . new power plant is now under construction to be finished in 1972 . . . additions are needed to the School of Nursing . . . additions are needed to the Medical School.

There is continued growth in the quality of patient care provided . . . improved equipment for heart patients . . . progress in diagnosis and treatment of most dreaded diseases; treatment of strokes and brain tumors.

Due to the financial crisis new admission procedures are made necessary. Efforts are made to counsel with all who need financial aid.

One thing remains unchanged: "the desire and determination to care for the needy sick."

Since it opened in the year 1923 this has been the heart of the hospital's ministry. In the last year it ministered to 5,225 Service Patients for a total of 47,499 days of hospital care plus a large number served in the Outpatient Clinics.

Free care amounted to more than a million dollars beyond what these patients, their insurance, and all other sponsoring agencies paid. North Carolina Baptists provided $565,000. Cooperative Program $237,000. and $328,000. through the Mother's Day Offerings.

To date this year 28 churches in our association contributed $1,438.86.

The Hospital's plea to us is for understanding and help. Our mission in the Baptist Hospital . . . to minister to the sick . . . in the name of the Great Physician . . . Sick in body . . . Sick in spirit.

Lets make this coming Mother's Day Offering the biggest ever . . . Lets all support our Baptist Hospital.

Charles R. Glisson,

BROTHERHOOD

The Brotherhood of the Brunswick Baptist Association listed eight churches as having Brotherhood organizations last year. These being Beulah, Calvary, Leland, Mount Pisgah, Peace Memorial, Shallotte First, Supply, and Town Creek. On January the 19th and 20th I attended the Shaping The Seventies Conference in Goldsboro. After this I worked with the brotherhood association conference two nights each in the Bladen, Columbus, and Brunswick association. The state brotherhood secretary, Rev. Edwin Bullock met early in the year with our Pastors Conference to promote Brotherhood work. The changing of our Baptist literature for the seventies has caused much concern, and I trust much activity in the Brotherhood Work in our Association. Rev. A.R. Waisner associational missionary met with Shallotte First Baptist church, and Calvary in promotion of Brotherhood Work. I met with Leland, and Oak Island churches.

Your new officers are, Mr. Mitchell McCoy director, Mr. William A. Legett R.A. director, Mr. H.L. Beckham young mens leader, and Mr. Texas Holden adult leader.

Respectfully submitted,
Sidney D. Britt, Director

CHRISTIAN EDUCATION

This report is based on information received from the institutions of Christian education and in no wise covers all the institutions, churches and homes.

The seven North Carolina Baptist Colleges had enrolled last year more than 600 students who have dedicated their lives to full time Christian service. The largest number of these young people will become pastors, missionaries, directors of religious education, directors of church music, chaplains, denominational workers, and Christian college teachers.

There were enrolled last year in Southern Baptist colleges and universities 7,070 who have chosen to give their lives to the service of the denomination. These include 3,672 ministerial students, 863 home and foreign mission volunteers, and 1,081 who have volunteered for some category of Christian vocational service.

Southwestern Baptist Theological Seminary reports 2,096 enrollment for 1969-1970 is the largest since 1962-1963 and an increase of 60 over the 1968-1969 year. Of this number, 1,314 were in the school of theology, 570 in the school of religious education, and 212 in the school of church music. There were 1,823 men and 273 women.

CHURCH LIBRARY

We do not have an official organization in our association for church libraries, but as to your representative, I have been able to contact many of the churches and to learn that some efforts have been and are being made to establish library services in a number of the churches. Therefore, it is with optimism that I make this report today.

The minutes of our last annual session show that Bethel, Farmer's Chapel, Friendship, Shell Point, Southport, Supply and Temple churches had libraries at that time. In the last few weeks Antioch, under the leadership of the pastor and Mrs. Virginia Gilbert and Mrs. Viva Lewis, her assistant, has established a church library. Since the library was opened this month on the Sunday of their annual homecoming celebration, this library will not be officially reported until next Annual Session. However, the ground work was laid and the actual processing of the materials was done in this past church year, so I want to mention it in this report. Antioch's library is sure to mean much to the ongoing programs of that church.

It may be that other churches have established libraries and I have not yet heard of them. I hope that such is the case and that when the minutes for this Session are published that these will be listed as having new libraries. I would like to hear from any church having a new library or from any church planning a library. There are several people in the Association now who are trained and capable of helping in establishing library services in the churches and they will be glad to help if we are needed.

As your representative I attended the Shaping the Seventies Clinic in Goldsboro as a part of the conference on Church Libraries and Literature. In April, together with Mrs. Ann Price and Mrs. Nell Pendergraph, I attended the State Library Convention in Charlotte and was chosen to serve for the year as Secretary of the North Carolina Library Convention.

In July, your representative, together with two others from the Association, took the course in library services offered at the North Carolina Baptist Assembly at Cas-

well during Sunday School Week. This was a most rewarding opportunity for learning. This course will probably be offered again next summer at Caswell.

A new book LIBRARY SERVICES IN THE CHURCH has been published and is available through the Baptist Book Stores. It is a part of the New Church Study Course. The book has already been studied by several people in the Association and others are urged to do so. This gives a comprehensive view of what library services can mean to a church.

With your church literature each quarter you can receive the publication by the Sunday School Board known as MEDIA: LIBRARY SERVICES JOURNAL. This is Item Number 102 on the literature order blank and is priced at 47 cents per quarter. This should be placed in the hands of at least one person in every church.

There are many opportunities being offered each year in our State and Association to help us learn to make library services a vital part of our church life. I challenge you - at least one person in each church - to avail yourselves of these opportunities. Demonstrate your genuine desire to serve the entire church through the establishment of library services. There is unlimited potential for ministry in the establishment and use of church libraries.

Respectfully submitted,
Mrs. Susan S. Carson, Representative

EVANGELISM

In associational evangelism clinics a strong emphasis was placed upon: Shaping the 70's through Evangelism, Strength for Living Revivals, and Youth Evangelism. Some churches across the state experienced outstanding revivals as a result of dependence upon the Holy Spirit, genuine prayer, careful planning, and involvement of adults and youth in witnessing. In many of our churches here in the Brunswick Association we had a great outpouring of the Holy Spirit.

All Christians need to accept the challenge of Acts 2:23, "This Jesus hath raised up, wherefore we are all witness." In his book, "Exploring Evangelism," Mendell Taylor reminds us of this tremendous truth: "When Christians fail to evangelize, the very existence of the church is threatened. Evangelism is indispensable in the life of the church." All Christians can reveal to the world a greater concern for evangelism and total Christianity.

New materials on lay witnessing written by Dr. Kenneth L. Chafin and other SBC leaders will be available by January 1, 1971 in the Baptist Book Stores. Training clinics on the use of these materials for pastors and laymen will be held in all associations during 1971.

An Evangelism Research Seminar was held at Southeastern Seminary, Wake Forest

on October 5-6, 1970. This seminar included an in-depth study of five papers related to evangelism.

The 25th Statewide Evangelism Conference will be held at War Memorial Auditorium and Greensboro Coliseum on February 1-2, 1971. The closing session will be a Youth Evangelism Night in Greensboro Coliseum which seats 16,000 with Dr. Leigthon Ford of the Billy Graham Association as the featured speaker. Pray for this special session that many youth will make genuine decisions for Christ.

GENERAL BOARD

Your General Board representative reports to the association on the affairs of the Baptist State Convention for the past year. This is my first year to serve in this capacity. I was assigned to the missions committee of the General Board.

The General Board meets three times during the year. The meetings for 1970 were January 27-28, June 23-24, and October 12-14. We met at Meredith College in January for a dinner meeting at which time we elected officers for the General Board for 1970: president, vice-president, secretary, and staff secretary. We heard an inspiring message by Dr. John E. Lawrence.

In June we met at Wingate College where we were privileged to hear the new president of the Southern Baptist Convention, Dr. Carl Bates. He spoke on "The Southern Baptist Convention As I See It." He pointed out that God provides His children with unfailing dynamics in times of crisis, and Southern Baptist must seek only a right relationship with God. He then stated three things Southern Baptist need to do:

1. Be worthy of the name we bear.
2. Understand the purpose to which we are called.
3. Find the compelling incentive to keep at it.

The third meeting was held at Mundo-Vista. At this time the annual budget was considered and approved to be recommended to the State Baptist Convention in November.

Respectfully submitted,
D.G. Thomas, Representative

INTERRACIAL COOPERATION

The Department of Interracial Cooperation has the primary purpose of promoting more cooperation between the two Baptist State Conventions in North Carolina. The objective is to aid Southern Baptist and National Baptist in North Carolina in their efforts to reach all people with the good news of the gospel. An increase of the spread of the gospel in all parts of the world depends on loving cooperation across racial lines at home.

A record number of 63 representatives from the General Baptist State Convention attended the annual statewide Vacation Bible School clinic at Wingate College in January. These represented 17 of their 57 associations. A future goal is to invite representatives from all associations.

A new seminary extension class enrolling 35 ministers was held in Rocky Mount

in March and April, 1970. Classes held at Shaw University enrolled 180 ministers. Additional classes are being planned for various areas throughout the state.

Scholarship aid was provided for 23 students at Shaw University, Fruitland Bible Institute, Hood Thelogical Seminary, Saint Augustine's College, and North Carolina Central University. This number of scholarships could not have been available without the assistance of the Howard Memorial Christian Education Fund, Inc., Buies Creek, N.C.

During 1970 the department appointed 28 young people and adults who served as summer missionaries in a variety of positions. Four of these were sponsored by the Home Mission Board. These workers helped to conduct 55 Vacation Bible Schools throughout the state. The enrollment reached 4,817 with 100 professions of faith.

INTERRACIAL DEPARTMENT WORK IN THE BRUNSWICK ASSOCIATION - This year I participated in four Institutes and five Vacation Bible Schools. The Institutes were well attended. I taught young people with inquiring minds and a deep interest in the scriptures. Classes ran from 20-43 in number.

The book "Witnessing For Christ" was taught. Each day we had a thirty minute discussion period during which the scriptures were searched on the moral issues of the day. Questions were recorded, scripture references were looked up and discussed. Then without fail came the question. If the older people know what the Bible teaches why don't they live by it?

There was a new school held at Armour First Church. This was not a large school but I always rejoice when a new work is started. Two schools were designated as mission schools. One school located in the Piney Grove section at Bolivia and the other at Navassa.

The pastor, Randolph Gregory, and a fine group of young people from the First Baptist Church, Wilmington helped in a wonderful way at Navassa. It was a joy to lead the school as these young people gained first hand mission work experience.

This is my tenth year with the Interracial Department. I have received much joy from the work and hope that in some way to have helped the people of the General Baptist Churches in their training programs and have lifted up the name of the Lord in the lives of the Young People by this ministry.

Respectfully submitted,
Mrs. Dewey Robbins, Representative

MISSIONS COMMITTEE

The Missions Committee met each quarter prior to the meetings of the executive committee. The committee met each quarter with the executive committee.

As the missions program, including the guidelines for the Associational Missionary, had been set up by previous committees, our work has been, for the most part, of a routine nature.

The committee recommended that the association purchase a projector and a folding machine. The executive committee adopted the two recommendations.

The committee found it a pleasure to work with our Associational Missionary and

feel that he has done, and is doing a most satisfactory work with our missions program.

NORTH CAROLINA BAPTIST ASSEMBLIES

North Carolina Baptist have an Assembly here in the Brunswick Association at Fort Caswell. We also have a Baptist Conference Center at Fruitland and youth camps. Camp CaRAway, and Camp Mundo Vista, near Ashboro.

This is 2,669 more guests than last year. All the associations in our state except fourteen, and 312 out of state guests availed themselves to the inspiration and information and recreational experiences offered this year. Only four persons registered from our own Brunswick Association. Pastors, messengers and friends someone or somebodies is failing ourselves and our Lord Jesus by not taking advantage of training ourselves to be better informed leaders and sharing this opportunity with our fellow church men, women and youth in our churches. Anyone can commute and attend any conference or assembly program without cost or registration fees.

The tentative schedule for 1971 follows:

June 14-18	World Mission Week
June 21-25	Church Training Week
June 28-July 2	Junior Music Week
July 5-9	Sunday School and Church Training Week - Joint Wee
July 12-16	Sunday School Week
July 19-23	Church Training Week
July 26-30	Youth - Adult Music Week
August 2-6 and 9-13	Youth Conference
August 16-20	Vacation Week

Following a fire January 1969, which destroyed much of the public school facility in Southport, Caswell offered her facilities and will probably continue to be used most of the 70-71 year.

Student Summary for Fruitland Baptist Bible Institute, 1st Quarter beginning August 25, 1970: (1) Total enrollment 185, (2) Geographical Distribution: N.C. 137, S.C. 40, Tenn. 1, Ala. 1, Ind. 1, Fla. 1, Ore. 1, Va. 2 and Md. 1, (3) Age Distribution: 18 years through 65 years. (4) Educational Distribution: 4th grade through 3 years of college.

All weeks at the youth camps were filled to capacity. Many boys and girls meet Jesus here and find direction and meaning for their lives.

Let us Brunswick Baptist take advantage of the many opportunities offered to us for Church Training, Christian Fellowship and Spiritual Inspiration.

Eye hath not seen, nor ear heard, neither have entered into the heart of man; the things which God hath prepared for them that love him. (1st. Cor. 2:9)

NORTH CAROLINA BAPTIST FOUNDATION, INC.

The fact that The North Carolina Baptist Foundation, Inc. has tripled its assets during the past eight years is proof that this service arm of the Convention has found favor with North Carolina Baptists.

Since the Foundation was reactivated in 1966, assets have increased from $350, 000 to more than one million dollars. This includes trust funds and real estate.

THE FOUNDATION advances the Kingdom of God in two major ways: by serving individuals and by serving Baptist agencies and institutions. This includes the Co-operative Program, Missions, Higher Education, the Baptist Hospital, and Baptist Homes for the Aging.

SPECIAL EMPHASIS ON TRUSTS AND WILLS

THE FOUNDATION has again this year put a major interest on the making of wills.

Many churches have used the facilities of the Foundation to conduct Will Clinics, and reports from these clinics indicate that they have been very successful.

THE FOUNDATION also has an opportunity to counsel with many people concerning their own wills, and in some instances has provided the information and direction necessary for inclusion of Baptist causes in their will.

THE BAPTIST FOUNDATION has had a most successful year, is on the move, and is rendering service to individual Baptists in a concrete way.

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

God has blessed our Homes for the Aging through all of our nineteen years, and during the past year in a very special way. We acknowledge His goodness and thank Him for every manifestation of His love. We also want to express sincere gratitude to our Baptist people for their increased love and concern for the 195 dear elderly people to whom we are ministering in our five Baptist Homes - Resthaven, the Hayes Home, and Nursing Care Unit, in Winston-Salem; the Albemarle Home, in Albemarle;

the Hamilton Home, in Hamilton; and the Yanceyville Home, in Yanceyville.

An urgent appeal was made to our Baptist people before our offering in February to help us reduce the alarming deficit in the operation of the Homes. This plea was heard, and the offering of $168,349.34, from July 1, 1969 through June 30, 1970 from our Baptist Churches has exceeded all other offerings in previous years. How grateful we are for this increase. We want to urge our people, however, to continue giving liberally to our Homes and to remember that we are still confronted with the staggering cost of living and the great need to strengthen the total economy of the Homes as we try to move forward in developing and expanding this vital ministry to the aging. For example, even though our offering reflects an increase over the previous year, this increase will only take care of approximately half of the additional amount necessary in operating the Homes for the coming year, due to inflationary pressures.

Of great interest in our Development Program is a proposed new addition to our present Nursing Care Unit. Judge and Mrs. William M. York, of Greensboro, North Carolina, have offered a gift of $80,000.00 to the Homes for this purpose, contingent upon the Homes raising an additional $80,000.00 by September 1, 1970. If this proposal is fulfilled, 10 to 12 additional rooms would be made available, with accommodations for 20 to 24 people, and bringing our total nursing care capacity to 80 beds. We appeal to Baptist people to pray for the success of this very special project in the care of our elderly sick.

There is no greater security for an older person than that of the Christian nurture and love offered in our Baptist Homes, and we thank the Lord, and our Baptist people, for this ministry. We shall continue to look to Him, and to our people, on behalf of these to whom Christian love means so much, in the faith that our needs will be supplied.

Respectfully submitted,
J.D. Hewett, Representative

RELIGIOUS LITERATURE

More than ever before Baptist need dependable sources of information. It is difficult to get an honest and an accurate report on our denomination and other important issues.

In some cases, half truths and rumors are circulated, some of them designed to embarrass and ridicule our Baptist work and Baptist people. Since it takes so long for truth to catch up with error, some of the impressions in people's minds are never corrected. For 137 years North Carolina Baptist have had the "Biblical Recorder" as a dependable source of information.

The "Biblical Recorder" promises to continue its fight against liquor by the drink or other forms and against moral and religious issues.

We cannot carry on the work of our churches without the Religious Literature devoted to each organization of our churches. This year there was more religious literature published by our denomination than ever before.

Buy, read, and study our Baptist Religious Literature and put into practice its teachings.

3. To the officers and committees of the Association, and more particularly to our Associational Missionary, we express our appreciation for the splendid service rendered during the 1969-70 church year and more particularly for the programs for the Annual Associational meetings.

SUNDAY SCHOOL

In 1970 the Brunswick Baptist Association's Sunday School Department had a very good year. We held two conferences which were well attended. Also, our Action Night was well attended. Rev. Farrell Shimpock was the speaker.

We hope that each church will move out in the challenge of the new work that the Sunday School Department has set up. Let's, each church, do our best to reach these goals.

Respectfully submitted,
Harold M. Williams, Jr., Supt.

TRAINING UNION

The Associational Training Union officers are glad to report that the "M" Night was held at Mill Creek Baptist Church on December 1 with an attendance of 325. The Director attended one state church training program "Shaping the Seventies" clinic at Goldsboro, N.C. We held two associational clinics April 6 and 7 at Mill Creek and Old Shallotte Baptist churches with approximately twenty churches represented.

The associational church training "M" Night will be held November 30, 7:30 p.m. at Elah Baptist Church. We have planned an associational church training leadership conference to be held on January 18, 19, and 20 at Supply Baptist church at 7:30 p.m.

We have great opportunities ahead with new church training literature in "Shaping the Seventies" for Christ. As we enter into this new decade, our new church training theme is "To Make A Difference... TRAIN... It's The Christlike Thing To Do."

Respectfully submitted,
Leo Cannon, Associational Director

WOMAN'S MISSIONARY UNION

Again this past year, Woman's Missionary Union has faced a time of adjustment to changes and choices as our Southern Baptist Convention has entered the decade of the seventies. Added to this has been the learning of new terminology, new grouping-grading and the use of the new periodicals.

The big thrust in this direction began in January with our Assistant Director attending the State "Shaping the Seventies" Clinic in Goldsboro and taking the intensive training offered there. In April our local Association held two of these clinics, one at Mill Creek and one at Old Shallotte, and Mrs. Leroy Price, the Assistant WMU Director, led these two clinics. These were both well attended and the response good. Almost every church in the Association was reached. At both the January clinic in Goldsboro and those in this Association your WMU Director was in the Church Library and Literature conferences.

Mrs. Bryan Smith, Mission Study Director, led in several mission study classes, and many churches were reached in this way with both the Home Mission book and the Foreign Mission book being taught to the women. Your Director also taught in two of the classes held. Every church that made a request for mission study aid was reached in some way. Among the young people, the classes were held only in the local churches and not on an area basis.

One of the highlights of the year was the Missions Banquet for Pastors and Directors held at the Calvary Church. Each year in November your Council entertains the Pastors and W.M.U. Directors at a banquet at which time the missions work as a whole is emphasized.

The Woodburn Baptist Church called upon your Council and we assisted in the organization of WMU work in that church. I am glad to report that this church now has at least two of the age-level organizations and that they are working toward others. The pastor taught the W.M.U. manual as a prelude to the organization of these groups.

Another highlight of the year was our Annual WMU Meeting held at Old Shallotte with Miss Faye Tunmire, missionary to the Phillippines, and Miss Linda Warren of our State Office, present. The meeting was dedicated to the memory of Mrs. David (Mary) Ward, first Associational President of WMU in the Brunswick Association. Three generations of her family, Mr. Carl Ward her son, Mrs. John Carr Davis, a granddaughter, and Miss Jane Brittain, a great granddaughter, were present and recognized during the program. The special flower arrangement in the sanctuary was given by members of the W.M.U. Council in her memory. Both Miss Tunmire and Miss Warren brought inspiring messages and challenged us to go forward zealously with the work of Woman's Missionary Union in this Association.

In May we were able to get a headstart on the new features of WMU as we had a specially scheduled Training Clinic at the Bolivia Church. This was well attended and gave us a good overview of what we might expect in October and thus give ourselves time to prepare for it.

Late in August six members of the Council attended the State WMU Workshop held at Camp Mundo Vista near Asheboro. Those who attended are now planning for and will hold a workshop for our Associational leaders next week at the Antioch Church.

The year past has been a good one as we have worked closely together to carry out the missions tasks of the churches in this Association. I would pay special tribute to the efforts of other members of the Council, Mrs. Leroy Price as my chauffeur and Assistant Director, Mrs. H.L. Beckham, our faithful secretary-treasurer, Mrs. Norman King, Mrs. Ted Caudill, Mrs. C.O. Bennett, Mrs. Albert Phelps, Mrs. Bryan Smith, Mrs. A.R. Waisner and Mrs. S.W. Jolly. You saw several of these ladies serving as hostesses for our meeting at the Baptist Assembly yesterday but I would like to ask any of these who are present today to stand so that you may see some of the most faithful workers anywhere.

There is still yet much to be done in the Brunswick Association. Many are giving up because of a few changes and because of misunderstandings. Others simply have not seen the need for the missionary emphasis in their plans. My prayer and my goal for the year 1970-71 is that we shall have at least a W.M.U. Director in every church in this Association. I do not say this for the sake of having more organizations and more meetings, but because I truly feel that only in this way can we keep before ourselves the Great Commission of our Lord as he speaks to us, his disciples of today, and says, "Go ye into all the world. . . . ."

Respectfully submitted,
Mrs. Susan S. Carson, Director
